RELATING TO THE

GENERAL RULES,

Framed by the Commissioners of Compensation under the 55th Clause of the Act of 3 & 4 W. 4, C. 73,

FOR THE COLONIES OF

THE CAPE OF GOOD HOPE AND MAURITIUS.

AT the Council Chamber, *Whitehall,* the 10th day of *June,* 1834:—

By a Committee of the Lords of His Majesty's Most Honourable Privy Council.

WHEREAS the Commissioners appointed by His Majesty under the authority of an Act, passed in the third and fourth year of His present Majesty's reign, intituled, "An Act for the abolition of slavery "throughout the British colonies; for promoting the "industry of the manumitted slaves; and for compen- "sating the persons hitherto entitled to the services of "such slaves;" have transmitted to the Lord President of the Council certain general rules framed by the said Commissioners, under the 55th clause of the said Act, for the colonies of the Cape of Good Hope and Mauritius; and whereas the said rules have been laid by the Lord President of the Council before His Majesty in Council, who has been pleased to refer the same to this Committee:

It is, thereupon, ordered by their Lordships, in pursuance of the provisions of the said Act, that the said rules (which are hereunto annexed) be published three times in the London Gazette:

And their Lordships are pleased to order and declare, and it is hereby ordered and declared, that all persons interested in or affected by such general rules may, within nine months from the date of this Order, appeal against any such rules to His Majesty in Council.

C. C. Greville.

Office of Commissioners of Compensation, No. 25, Great George-street, Westminster, May 16, 1834.

GENERAL RULES *under the 55th Clause of the Act, 3rd and 4th Will. 4, c. 73, for the Colonies of the Cape of Good Hope and Mauritius.*

WHEREAS by an Act, of the 3d and 4th Will. 4, c. 73, intituled "An Act for the abolition of slavery "throughout the British colonies; for promoting the "industry of the manumitted slaves; and for compen "sating the persons hitherto entitled to the services of "such slaves;" the Commissioners to be appointed thereby for apportioning and distributing the compensation provided by the said Act, are authorised and required by the 55th clause to frame and publish general rules, to be confirmed, allowed, and enrolled, as thereby directed, prescribing the form and manner of proceeding to be observed by any claimant or claimants preferring their claims under the said Act, upon the prosecution of such claims, and in making any opposition to the same, and for the conduct of the proceedings under the said Commission:

We, therefore, the undersigned Commissioners, in obedience to the directions of the said 55th clause, have drawn up and framed, in so far as relates to the colonies of the Cape of Good Hope and Mauritius, the following

RULES:

1st. That all persons in possession of and claiming compensation for any slave or slaves to be manumitted under the said Act, shall prefer their claims before the Assistant Commissioners in the said colonies in which the said slave or slaves are registered or settled, within three months after the first day of April one thousand eight hundred and thirty-five, at the Cape of Good Hope, and within three months after the first day of June one thousand eight hundred and thirty-five, at Mauritius, in the form hereunto annexed, marked (B.)

2d. That every such claim shall be accompanied by a certificate signed by the Registrar of Slaves of the colony in which such claim shall be made, that the number of slaves mentioned in such claim (except any increase by birth since the last registry, as mentioned at the foot of such claim), are duly registered, together with the name or names of the person or persons by whom such slave or slaves have been registered; and in case the property in any slave or slaves shall have been changed, between the last registration and the first day of December one thousand eight hundred and thirty-four, at the Cape of Good Hope, and the first day of February one thousand eight hundred and thirty-five, at Mauritius, the claimant must briefly state his title from the person in whose name the slaves were last registered.

3d. That the said Assistant Commissioners shall from

time to time, with all convenient speed, after receipt thereof, make out complete lists of all such claims according to the form following, that is to say:

Name and Description of Claimant, or person in possession of the slaves.	Plantation, or other Domicile of Slaves.	Number of Slaves.

and shall cause the same to be published in the different newspapers of the said colony, or shall make the same known in such manner as to them shall seem most effectual for giving notice of the subject of such claim to all parties interested therein, in all parts of the said colony.

4th. That such claims for compensation be made to the Assistant Commissioners, in the said colonies, in duplicate, and that one part be transmitted by them to the Commissioners in London, and filed in their office, and the other kept and filed in the office of the Assistant Commissioners.

5th. That any person having, or claiming to have any right, title, or interest in or to, or any mortgage, judgment, charge, incumbrance, or lien upon any slave or slaves included in such claims, or any right, title, or interest thereto, under or by virtue of any deed, will, testamentary instrument, or conveyance whatsoever, or in any other manner whatsoever, and claiming to receive the compensation for such slave or slaves, or any of them, in opposition to the original claimant, shall prefer a counter claim before the Assistant Commissioners in the said colonies on or before the first day of September one thousand eight hundred and thirty-five, at the Cape of Good Hope, and on or before the 1st day of November one thousand eight hundred and thirty-five, at Mauritius.

6th. That in case no original claim shall have been filed before the Assistant Commissioners in the said colonies within the times limited by the first rule for that purpose, any person claiming a right to receive the compensation, or any part thereof, under the fifth rule, may prefer his claim thereto before the said Assistant Commissioners, instead of a counter claim, and such claim shall be deemed and taken and be made in the same form, and be subject to the same rules of proceeding in all respects as a counter claim, and with the same liberty of replying thereto as hereinafter directed, as if an original claim had been preferred.

7th. That in cases in which no counter claim shall have been preferred in the said colonies within the respective times in the 5th rule mentioned, the Assistant Commissioners within the said colonies shall report the amount of compensation which may appear to them to be due upon each of the several claims, on application of the parties, or their agents, and transmit forthwith copies or lists of such several reports to the Commissioners in London, who may thereupon proceed to award the compensation according to the several claims upon the application of the parties or their agents.

8th. That in all cases in which a counter claim for the whole or any part of the compensation shall be preferred, such counter claim shall set forth the estate or interest, right or title, intended to be insisted on, and the dates, parties, and legal effect of the deeds or other instruments under which the counter claim is made, with the date of registration in the proper office in the colony; and in all cases of mortgage, judgment, charge, incumbrance, or lien, such counter claim shall also set forth for what sum the same was granted or recovered, what payments (if any) have been made thereon, and the dates of such payments, and what remains due thereon, whether the same is the prior lien or otherwise, on the property included therein, and also the legal effect of such securities upon slaves, according to the law and usage of the colony in which such slaves have been registered or settled; and that in addition thereto, the substance of such counter claim be embodied and arranged in the tabular form hereunto annexed, marked (C.)

9th. That upon such counter claim being filed within the limited periods aforesaid, notice thereof be forthwith given by the party making the same to the party against whom it is made, or his agent, and a copy thereof be furnished to such party or his agent on application to the Assistant Commissioners in the colony.

10th. That within two months after such counter claim has been filed, and such notice given, the original claimant may file a replication to the said counter claim before the Assistant Commissioners, and give notice forthwith of such replication to the counter claimant, or his agent, and a copy thereof be furnished to such counter claimant, or his agent, on application to the Assistant Commissioners in the colony.

11th. That in case no replication be filed within the time aforesaid, the Assistant Commissioners may, on proof of notice of the counter claim having been served on the original claimant, or his agent, proceed to consider the claim and counter claim, and report the amount of compensation which may appear to them to be due upon each of the several claims and counter claims, upon application of any of the parties or their agents, and transmit copies or lists of such several reports to the Commissioners in London, who may thereupon proceed to award the compensation accordingly, upon the application of any of the parties or their agents.

12th. That in case a replication shall be filed within the times hereinbefore limited, the Assistant Commissioners may, either upon application of any of the parties interested, or their agents for such purpose, or if to the said Assistant Commissioners it shall seem fit, direct proof to be adduced in support of such claim, counter claim, or replication, by the production of deeds or other documents, or by interrogatories on oath or affirmation, to be drawn and exhibited to the parties or witnesses, or by affidavits, or by *viva voce* examination of witnesses, as the case may require.

13th. That on such proof as aforesaid being made, the Assistant Commissioners shall, on the application of any of the parties interested, or their agents, cause a notice to issue to all the claimants and counter claimants in such proceedings named, that the said Assistant Commissioners will on a day in such notice to be named, proceed to consider and ascertain the amount of compensation which may appear to be due to the parties respectively; copies of such notice to be served by the party applying for the same on all such claimants and counter claimants, or their agents.

14th. That the said Assistant Commissioners shall thereupon proceed according to the several rules herein-before stated, and according to the general rules framed by the Commissioners under the 47th clause, when they shall be confirmed, allowed, and enrolled as directed by the said Act, to ascertain and report the amount of compensation appearing to be due to any of the litigant parties, and transmit forthwith lists or copies of their proceedings and reports to the Commissioners.

15th. That the Commissioners shall upon such proceedings and reports being received from the Assistant Commissioners, proceed to the adjudication and award of the compensation which shall appear to be due according to such lists, reports, and proceedings.

16th. That all persons claiming to act on behalf of any party interested in the said compensation monies shall lodge with the Commissioners, or Assistant Commissioners, as the case may be, a power of attorney, or other authority, under the hand of the party or parties so interested, to be registered in the proceedings of the said Commissioners, or Assistant Commissioners, and no other than the person or persons named in such power of attorney or authority shall be entitled to act in that behalf so long as such power shall continue in force.

PROCLAMATION

BY HIS EXCELLENCY

Major-General Sir BENJAMIN D'URBAN,

Knight Commander of the Most Honorable Military Order of the Bath, of the Royal Guelphic Order of Hanover, and of the Royal Portuguese Military Order of the Tower and Sword, Colonel of His Majesty's 51st Regiment of Foot, Governor and Commander in Chief of His Majesty's Castle, Town, and Settlement of the Cape of Good Hope, in South Africa, and of the Territories and Dependencies thereof, and Ordinary, and Vice Admiral of the same, Commanding the Forces, &c. &c. &c.

WHEREAS certain of the Regulations contained in the Proclamation of the 12th July, 1832, relative to the Paper Currency thereafter to be created and put in circulation within this Colony, are inexpedient: I DO, THEREFORE, hereby order and direct that the following Regulations, under which the new Paper Currency is hereafter to be created and put in circulation, shall be published for general information.

Preparation and Issue of Paper Money.

1. Notes intended for issue shall first be classed, numbered, and dated in the Colonial Secretary's Office.

2. They shall then be delivered to the Treasurer and Accountant General, to be registered in his Office, and subscribed by him, and thereafter shall be by him delivered to the Auditor General for the like purpose.

3. The Auditor General having registered and subscribed the Notes, shall thereupon make a written Report to the Governor, that the process of preparation has been so far completed, and shall at the same time re-deliver the Notes to the Treasurer and Accountant General, and shall then charge him with the amount thereof in his Public Accounts.

4. So soon as such portion of the old Paper Money intended to be replaced by the new Notes so in process of preparation, shall have been destroyed, the Treasurer and Accountant General shall deliver a Certificate to that effect to the Governor in person; which Certificate, when backed with the Governor's order, under his own hand, with his direction that a Proclamation be made accordingly, and upon the issue of such Proclamation, shall serve as, and be a Warrant to the Colonial Secretary, to whom it shall be addressed, to complete by his Signature the whole or such portion of the new Notes

den Kolonialen Secretaris, aan wien hetzelve zal worden geadresseerd, om door zyne Naamteekening het geheel of zoodanig gedeelte der nieuwe Nooten, in bezit van den Thesaurier en Rekenmeester Generaal, als in waarde gelyk zal zyn aan de Nooten gecertificeerd te zyn vernietigd, te voltooyen.

5. De Koloniale Secretaris zal zyn naam onder de Nooten moeten teekenen *in de Thesaurie*, en nergens anders, en altyd in presentie van den Thesaurier en Rekenmeester Generaal; en ingeval van ziekte of onvermydelyke afwezigheid van den Kolonialen Secretaris, zal de Gouverneur, by Lastbrief onder zyne handteekening (waarvan eene kopy in de *Gouvernements Courant* zal worden gepubliceerd,) eenig ander publiek Ambtenaar benoemen, om dan en aldaar zoodanige Nooten in plaats van den Kolonialen Secretaris te teekenen; en ingeval de Bank de houder mogte zyn van de Recu van den Thesaurier en Rekenmeester Generaal, voor oud papieren Geld dat aan hem ter vernietiging is overgegeven, zal een door dat Departement geautoriseerd Ambtenaar dan en aldaar moeten vaceren, om in verwisseling voor zoodanig oud papieren Geld, een gelyk bedragen van het nieuwe papieren Geld, dus te worden voltooid, te ontvangen.

7. De Koloniale Secretaris zal, wanneer hy de Nooten onder den Lastbrief of Order, als in het 4de Artikel gelast, zal hebben voltooid, aan den Gouverneur moeten rapporteren dat hy zulks heeft gedaan.

Vernietiging van papieren Geld.

8. Nooten, die onbruikbaar zyn voor circulatie, in het bezit van de Bank, zullen aldaar met Drukinkt en Drukletters worden gemerkt met de woorden—"*Bank. 9. De dus gemerkte Nooten zullen aan den Thesaurier en Rekenmeester Generaal moeten worden overgegeven, die eene gelyke waarde in papieren Geld, geschikt voor circulatie, of in Britsch Metaal Geld, naar zyne verkiezing, in verwisseling zal moeten geven; doch ingeval hy de middelen niet zal hebben om zulks te doen, zonder ongeryf voor de Thesaurie, zal hy zyne Recu voor de som dus ontvangen, maar niet verwisseld, moeten passeren, en de Bank zal dadelyk eene kopy van iedere zoodanige Recu aan den Secretaris des Gouvernements moeten toezenden, wiens pligt het zal zyn de Bank te verwittigen van de volgende voltooying van Nooten, als vermeld in Art. 5.

10. De manier van het bereiden van Nooten voor vernietiging, en tot het vernietigen van dezelve, zal dezelfde zyn als vermeld in de Proclamatie gedateerd 12 July 1832; met uitzondering dat *vier* Certifikaten dan zullen moeten worden gegeven, waarvan twee zullen zyn voor den Thesaurier en Rekenmeester Generaal, een voor den Gouverneur, en een voor den Secretaris des Gouvernements, die daarop zal voortgaan op de wyze in de gez. Proclamatie gelast voor den Registrateur van Acten.

11. CITATION BY EDICT.

THE Honorable Sir JOHN WYLDE, Knight, LL.D. Chief Justice, and other the Judges of the Supreme Court of the Colony of the Cape of Good Hope, do hereby make known:

That whereas *Elisabeth Helena du Plessis*, born *Appel*, by her Curator ad litem *Christoffel Josephus Brand*, LL. D. has this day made an application to this Honorable Court, together with an Affidavit of the said *Elisabeth Helena du Plessis*, born *Appel*, whereby it appears that her Husband *Willem du Plessis*, Andries' Son, has deserted her on the 10th of July, 1830; and that she the said *Elisabeth Helena du Plessis*, born *Appel*, has not heard any thing from her said Husband since that time; wherefore she has thought proper to bring an action against her said Husband for dissolution of the Bonds of Marriage, but being ignorant or uncertain as to the place where her said Husband is now residing, has prayed by her Curator ad litem, aforesaid, that it may please this Court to summon the said *Willem du Plessis*, Andries' Son, by Edict, to appear in person before the said Court, or by proxy, in order to hear such Claim and Conclusion as the said *Elisabeth Helena du Plessis*, born *Appel*, by her Curator aforesaid, may think proper to take,—to answer thereto, and further to proceed according to Law:

Now, this Court having taken the prayer of the said Applicant into consideration, have granted the same, and accordingly by these Presents do summon the said *Willem du Plessis* to appear before the said Supreme Court, either in person or by proxy, on the 31st day of December next, at 10 o'Clock in the Forenoon precisely, in order to hear such Claim and Conclusion as the said *Elisabeth Helena du Plessis*, born *Appel*, by her Curator aforesaid, may think proper to make for a dissolution of the Bonds of Marriage,—to answer thereto, and further to proceed according to Law.

Thus done and granted in the Supreme Court, at Cape Town, Cape of Good Hope, on the 19th day of August, in the year of our Lord, 1834.

By the Court,
T. H. BOWLES, Registrar of the Supreme Court.

A. G. L. PLOUVIER, Plaintiff's Attorney,

In the Supreme Court of the Colony of the Cape of Good Hope.
Cape Town, Monday, the 13th October, 1834.

In the Insolvent Estate of JAMES FITZGERALD, of Graham's Town, Mason.

WHEREAS on the fourth day of June, in the year of our Lord one thousand eight hundred and twenty-nine, the Estate of the said JAMES FITZGERALD, was, by Order of the Hon. Mr. Justice KEKEWICH, one of the Judges of this Court, placed under Sequestration in the hands of the Master of this Court, upon the petition and surrender of the said JAMES FITZGERALD:

And whereas the said JAMES FITZGERALD hath produced to this Court a Certificate, signed by four-fifths in number and value, of the Creditors who have proved Debts against his Estate, testifying their consent to his discharge from his Debts, and the said JAMES FITZGERALD hath made oath, in writing, that such consent and certificate were obtained without fraud, and without his having used any undue means or influence, or having made any secret compromise with his Creditors in order to obtain the same:

And whereas the said JAMES FITZGERALD hath applied to this Court, by motion, to have his Certificate allowed, and due notice having been given of the said motion in the *Government Gazette*, none of the Creditors of the said JAMES FITZGERALD have shewn any objection thereto:

Now, therefore, the Court doth allow and confirm the said Certificate.

By the Court,
T. H. BOWLES, Registrar.

Proclamations relating to the Trade in Gunpowder, in so far as they relate thereto, and in so far as they have not been repealed by the Order of His Majesty in Council, bearing date the 22d day of February, 1832, shall be, and the same are hereby, repealed accordingly.

II. And be it further enacted, That, unless by the special permission of the Governor, no Gunpowder, imported into this Colony, shall be landed at any place other than in Table Bay, Simon's Bay, or Algoa Bay, and only at such places in the said Bays as the Governor shall from time to time appoint by any Proclamation to be by him duly published in that behalf.

III. And be it enacted, That every Importer or Consignee of Gunpowder, imported into this Colony, for Colonial consumption, shall, before applying for, or obtaining from any Officer of the Customs, any Warrant or Permit to land the same, apply for, and obtain, from the Commissioner or Distributor of Stamps for the District or Place within which such Gunpowder is intended to be landed, who are hereby respectively authorized and required to grant the same, a Permit to store such Gunpowder, signed by such Collector or Distributor of Stamps respectively, on Paper stamped of the value of Threepence for every pound of Gunpowder so intended to be landed; and if any Officer of Customs shall grant any Warrant or Permit to land any such Gunpowder at any place within this Colony, without such stamped Permit, so signed as aforesaid, having been first produced to him, he shall, for every such offence, incur and be liable to a Fine of £50, and every Person who shall land, cause to be landed, or attempt to land, at any place within this Colony, any such Gunpowder, without having first obtained such stamped Permit to store the same, as aforesaid, shall, for every such offence incur and be liable to a Fine not exceeding £100, and in default of payment, or satisfaction thereof by legal process, shall be subject to imprisonment for any period not exceeding one Year, and all such Gunpowder landed or attempted to be landed without such stamped Permit for storing the same having first been obtained in manner aforesaid, shall be forfeited to His Majesty.

IV. And be it further enacted, That no Officer of Customs shall permit any Gunpowder to be delivered from any Bonding Magazine for Colonial consumption, unless the Proprietor of such Gunpowder shall lodge with such Officer of Customs a Warrant or Permit from the Commissioner or Distributor of Stamps for the District or Place within which such Bonding Magazine is situate, who are hereby respectively authorized and required to grant the same on Paper stamped of the value of Sixpence for every Pound of Gunpowder required to be delivered. And if any Officer of Customs shall permit any Gunpowder to be delivered from any Bonding Magazine without such Warrant having been lodged with him as aforesaid, he shall for every such offence incur and be liable to a Fine of £50.

V. And be it enacted, That every Importer or Consignee of Gunpowder, imported into this Colony, shall give to the Collector of Customs for the place at which any such Gunpowder is to be landed, twenty-four hours' notice of the time when he intends to land the same, by delivering such notice in writing to such Collector personally, or by leaving the same at the Custom House: and the proper Officer of Customs shall thereupon attend at the time and place appointed for landing the same, and shall cause all the regulations for landing Gunpowder hereinbefore or hereinafter mentioned to be attended to; and if any Person shall land or cause to be landed any Gunpowder, unless such Custom House Officer as aforesaid be present, or shall break any of the regulations hereinafter mentioned, relative to the landing and removing of Gunpowder, he shall for every such offence incur and be liable to a Fine not exceeding £10; and all Gunpowder illegally landed or removed, or attempted to be landed or removed, in violation of any such regulations as aforesaid, shall be forfeited to His Majesty.

VI. And be it further enacted, That all Gunpowder shall be landed and removed to and from the Powder Magazines under the regulations hereinafter mentioned, that is to say:—

5th. If the proper means of conveyance should not be in attendance, so that the Gunpowder when landed may be removed immediately, the Gunpowder shall be carefully placed upon Hides, Sails, Cloth, or other fit substance spread upon the Beach, and shall be left in charge of some proper Person, until the means of conveyance shall arrive.

6th. If the Gunpowder shall be removed from the place of debarkation in Wagons or Carts, there shall be spread on such Wagons or Carts, Hides, Sails, or Cloth, so that the Casks containing the Powder shall not come in contact with the wood or iron-work of the Wagon or Cart.

7th. Every such Wagon or Cart shall be driven at a walking pace to and from the Powder Magazine, whilst proceeding through any Town or Village.

VII. And be it further enacted, That it shall be lawful for any Person or Persons, in any place which he or they shall deem expedient, to erect a private Magazine or Magazines for the storing of Gunpowder, for Colonial consumption, and to store Gunpowder within the same: Provided always, that the site and plan of every such private Magazine shall first have been approved of by the Governor, on the report of some fit Person by him appointed to report thereon.

VIII. And be it enacted, That the Proprietor or Proprietors of every such private Magazine shall appoint some proper Person, to be remunerated by them, and who shall be approved by the Governor, to be the Storekeeper thereof, and who, before entering upon his said office, shall be sworn duly and honestly to discharge the duties thereof, and whose name and appointment shall be thereupon published in the Government Gazette.

PEREMPTORY SALE,

Of very valuable LANDED PROPERTY, situate in the Gardens; superior modern London-made Household Furniture, Horses, Carriages, and other Effects.

On MONDAY, the 29th DECEMBER, 1834,
AND THE FOLLOWING DAYS,
At half-past NINE o'Clock precisely,
(On account of the number of Lots,)
WILL BE SOLD BY AUCTION,
PEREMPTORILY TO THE HIGHEST BIDDER,
By Order of the Supreme Court,
IN THIRTY-FOUR LOTS,

ALL that valuable and most desirable Property called *Welgedaan*, situate in the Gardens, and extending each way to the Residences of Sir JOHN WYLDE and Colonel BELL, enclosed in substantial Walls; with a large portion of contiguous Land most eligibly situated for Building, containing in the whole between 3 and 4 morgen.

Welgedaan comprises a very spacious and elegant Dwelling House, calculated for the Residence of a large Family of the first distinction, containing on the ground floor two very handsome Drawing Rooms, 24 by 18; a noble Saloon, 37 by 18; a Dining Room, 24 feet in length, and a Sitting Room, 16 by 15. These Rooms are all floored and ceiled in a very superior manner, and fitted up throughout at great expense, in the very best style of modern English taste.

The upper part of the House contains five spacious airy Sleeping Rooms, commanding a very delightful prospect of the Valley and of Table Bay.

The Offices are numerous and convenient, consisting of a Kitchen, Store Rooms, four Servants' Apartments, Coach House and Stabling, with very spacious double and single Wine and Grain Stores, which may be let at profitable Rents, if not required by the Proprietor.

The Grounds are extensive, and are well fenced and shaded with Oaks.

The Land is exceedingly productive, and is in the highest state of cultivation.

The Buildings are in substantial repair; the Roofs have been newly constructed within the last few years, and are planked throughout with Teak. A perpetual stream of Water runs along the upper side of the Property without the Walls, to the use of which it is intitled, under regulations which will be made known at the time of Sale.

This Property will first be sold in separate Lots, then particular Lots will be put up together, in order to enable the Purchasers to obtain larger allotments, if they desire it; and, finally, the whole Property will be put up together in one Lot in the usual manner,—*vide* the Conditions of Sale.

Lot 1, comprises the HOUSE, Office, a large Yard, and a portion of the Ground, measuring 1 morgen, 623 square roods, and 63 feet.

Lot 2, consists of a very excellent Store, 91 by 22, with a Teak Roof, an adjoining Store, 40 by 18, which may be easily converted into a Dwelling House at a small expense, and a Yard.

The remaining Lots vary in their dimensions, but have been laid out in conformity with a design which has been formed for the appropriation of this part of the Property to the erection of second and third-rate Houses,—a class of Buildings which is very much wanted for the occupation of respectable Tenants of limited income. The purity of the atmosphere at this elevation of the Valley, the contiguity of this Property to the Town and the Government Gardens, and the number of good Roads and respectable Residences with which it is surrounded, renders it, perhaps, without a single exception, the most eligible spot in Table Valley for such a mode of appropriation.

Conditions of Sale, and engraved Plans of the Property, may be had by the end of November, at the Master's Office, at the Commercial Room, at Mr. JONES', the Auctioneer, on the Parade, and at the Offices of the Trustees.

On TUESDAY, the 30th DECEMBER, 1834,

STELLIGE VERKOOPING,

Van zeer kostbare VASTE GOEDEREN, gelegen in de Tuinen; beste moderne in London gemaakte Huismeubelen; Paarden, Rytuigen, en andere Goederen.

OP MAANDAG den 29 Dec. 1834 en volgende dagen, des morgens precies ten half 10 ure, (wegens het aantal Percelen,) zal op last van het Hooge Geregtshof, volstrekt aan den meestbiedenden worden verkocht,

In vier en dertig Percelen:

Het kostbare en zeer verkieslyke Eigendom genaamd *Welgedaan*, gelegen in de Tuinengstrekkende zich aan beide kanten uit naar de Residentien van Sir JOHN WYLDE en Kolonel BELL, omringd met sterke Muren; benevens een groot gedeelte aangrenzend Land, zeer verkieslyk gelegen om op te bouwen, behelzende in het geheel tusschen 3 en 4 morgen.

Welgedaan bevat een zeer ruim en fraai Woonhuis, geschikt voor eene groote Familie van het eerste aanzien, hebbende onder twee mooye Visitekamers, 24 by 18; eene prachtige Zaal, 37 by 18; een Eetkamer, 24 voet lang, en een Zitkamer, 16 by 15. Deze Kamers zyn alle netjes gevloerd en geblafonneerd, en met groote kosten ingerigt naar den besten styl en den nieuwsten Engelschen smaak.

Het bovenste gedeelte van het Huis bevat vyf ruime luchtige Slaapkamers, hebbende een zeer aangenaam uitzigt over de Vallei en de Tafelbaai.

De Buitengebouwen zyn zeer talryk en geryfelyk, bestaande in een Keuken, Provisiekamers, vier Knechtsvertrkken, Koetshuis en Stal, met zeer ruime dubbele en enkele Wyn- en Graanpakhuizen, welke tegen voordeelige huur kunnen verhuurd worden, indien niet benoodigd door den Eigenaar.

De Grond is zeer uitgebreid, en is wel omringd en belommerd met Eikenboomen.

Het Land is buitengemeen vruchtbaar en in den besten staat van cultivatie.

De Gebouwen zyn in substantieele reparatie, zynde de Platten nieuw gelegd binnen de laatste jaren, en doorgaans met kajatehouten Planken. Een gestadige stroom water loopt langs de bovenzyde van het Eigendom buiten de Muren, tot welkers gebruik het geregtigd is, onder bepalingen welke ten tyde der Verkooping zullen worden bekend gesteld.

Dit Eigendom zal eerst in separate percelen worden verkocht, daarna zullen byzondere deelen gezamenlyk worden opgeveild, om de Koopers in staat te stellen grootere stukken te bekomen, indien zy zulks verkiezen; en eindelyk zal het geheele Eigendom in eens gezamenlyk worden opgeveild, op de gewone wyze—zie de Veilkonditien.

Perceel 1, bevat het Huis, Buitengebouw, een groote Achterplaats en een gedeelte van den Grond, groot 1 morgen, 623 kwadraat roeden en 63 voeten.

Perceel 2, bestaat uit een zeer goed Pakhuis, 91 by 22, met een kajatehouten Pier, een annex Pakhuis, 40 by 18, dat met geringe kosten gemakkelyk kan worden veranderd in een Woonhuis, en een Achterplaats.

De overige Percelen verschillen in derzelver groote, doch zyn verdeeld overeenkomstig een plan dat geformeerd is om dit gedeelte van het eigendom te gebruiken tot het bouwen van Huizen van de tweede en derde soort,—eene klasse huizen welke zeer gewild is tot het bewonen van respectabele huurders die een bepaald inkomen hebben. De zuiverheid der lucht op deze hoogte der Vallei, de nabyheid van dit eigendom aan de Stad en 's Gouvernements Tuin, en de menigte goede wegen en fatsoenlyke woningen waarmede het omringd is, maakt het misschien, zonder eene enkele uitzondering, de verkieslykste plek in de Tafelvallei om tot dat einde te gebruiken.

De Koopkonditien en gegraveerde Plannen van het Eigendom zyn te bekomen, tegen het einde van November, op het Meesters Bureau; aan de Beurs; by den Hr. JONES, Vendu-Afslager, op de Parade, en ten Kantore van de Curatoren.

Op DINGSDAG den 30 DECEMBER, 1834,

Zullen publiek aan de meestbiedenden worden verkocht, alle de Huismeubelen en andere Goederen in den Boedel, bestaande in de allerbeste Londonsch gemaakte mahonyhouten Stoelen en Sofas, Etens-, Sofa-, Kaart- en Werktafels, Bufetten, Boekenkasten, Kleeder dito.

THE CAPE OF GOOD HOPE

Government Gazette.

Published by Authority.

FRIDAY, DECEMBER 5, 1834.

DRAFT OF AN ORDINANCE

Proposed by the Governor of the Cape of Good Hope to the Legislative Council thereof,

For giving due effect to the Provisions of an Act of Parliament, passed in the third and fourth Year of the Reign of His Majesty King William the Fourth, entitled "An Act for the abolition of Slavery throughout the British Colonies: for promoting the industry of the manumitted Slaves: and for compensating the Persons hitherto entitled to the services of such Slaves," and dated the 28th Day of August, 1833.

WHEREAS by a certain Act of Parliament passed in the third and fourth year of His Majesty's reign, intituled "An Act for the Abolition of Slavery "throughout the British Colonies: for promoting the "industry of the manumitted slaves: and for compen- "sating the persons hitherto entitled to the services of "such slaves," it is amongst other things recited, that it is necessary that various rules and regulations should be framed and established for ascertaining, with reference to each apprenticed labourer within the said Colonies respectively, whether he or she belongs to the class of attached prædial apprenticed labourers, or to the class of unattached apprenticed labourers, or to the class of non-prædial apprenticed labourers, and for determining the manner and form in which and the solemnities with which the voluntary discharge of any apprenticed labourer from such his or her apprenticeship may be effected, and for prescribing the form and manner in which and the solemnities with which the purchase by any such apprenticed labourer or his or her discharge from such apprenticeship without, or in opposition, if necessary, to, the consent of the person or persons entitled to his or her services, shall be effected, and how the necessary appraisement of the future value of such services shall be made, and how and to whom the amount of such appraisement shall in each case be paid and applied, and in what manner and form and by whom the discharge from any such apprenticeship shall thereupon be given, executed, and recorded; and that it is also necessary for the preservation of peace throughout the said Colonies, that proper regulations should be framed and established for the maintenance of order and good discipline amongst the said apprenticed labourers, and for ensuring the punctual discharge of the services due by them to their respective employers, and for the prevention and punishment of indolence, or the neglect or improper performance of work by any such apprenticed labourer, and for enforcing the due performance by any such apprenticed labourer of any contract into which he or she may voluntarily enter for any hired service during the time in which he or she may not be bound to labour for his or her employer, and for the prevention and punishment of insolence and insubordination on the part of any such apprenticed labourers towards their employers, and for the prevention or punishment of vagrancy or of any conduct on the part of any such apprenticed labourers injuring or tending to the injury of the property of any such employer, and for the suppression and punishment of any riot or combined resistance to the laws on the part of any such apprenticed labourers, and for preventing the escape of any such apprenticed labourers, during their term of apprenticeship, from the Colonies to which they may respectively belong: And that it will also be necessary for the protection of such apprenticed labourers as aforesaid that various regulations should be framed and established in the said respective Colonies for securing punctuality and method in the supply to them of such food, clothing, lodging, medicines, medical attendance, and such other maintenance and allowances as they are by the said Act declared entitled to receive, and for regulating the amount and quality of all such articles in cases where the laws at present existing in any such Colony may not in the case of slaves have made any regulation or any adequate regulation for that purpose; and that it is also necessary that proper rules should be established for the prevention and punishment of any frauds which might be practised, or of any omissions or neglects which might occur, respecting the quantity or the quality of the supplies so to be furnished, or respecting the periods for the delivery of the same: And that it is necessary, in those cases in which the food of any such prædial apprenticed labourers as aforesaid may either wholly or in part be raised by themselves by the cultivation of ground to be set apart and allotted for that purpose, that proper regulations should be made and established as to the extent of such grounds, and as to the distance at which such grounds may be so allotted from the ordinary place of abode of such prædial apprenticed labourers, and respecting the deductions to be made from the cultivation of such grounds from the annual time during which such prædial apprenticed labourers are herein before declared liable to labour: And that it may also be necessary, by such regulations as aforesaid, to secure to the said prædial apprenticed

labourers the enjoyment for their own benefit of that portion of their time during which they are not hereby required to labour in the service of their respective employers, and for securing exactness in the computation of the time during which such prædial apprenticed labourers are hereby required to labour in the service of such their respective employers; and that it is also necessary that provision should be made for preventing the imposition of task-work on any such apprenticed labourer without his or her free consent to undertake the same; but that it may be necessary by such regulations in certain cases to require and provide for the acquiescence of the minority of the prædial apprenticed labourers attached to any plantation or estate in the distribution and apportionment amongst the whole body of such labourers of any task-work which the majority of such body shall be willing and desirous collectively to undertake; and that it is also necessary that regulations should be made respecting any voluntary contracts into which any apprenticed labourers may enter with their respective employers or with any other person for hired service for any future period, and for limiting the greatest period of time to which such voluntary contract may extend, and for enforcing the punctual and effectual performance of such voluntary contracts on the part both of such apprenticed labourers and of the person or persons engaging for their employment and hire; and that it is also necessary that regulations should be made for the prevention or punishment of any cruelty, injustice, or other wrong or injury which may be done to or inflicted upon any such apprenticed labourers by the persons entitled to their services; and that it is also necessary that proper regulations should be made respecting the manner and form in which such indentures of apprenticeship as aforesaid shall be made on behalf of such children as aforesaid: and respecting the registering and preservation of all such indentures: And that it is also necessary that provision should be made for ensuring promptitude and despatch, and for preventing all unnecessary expense, in the discharge by the Justices of the Peace holding such special commissions as in the said Act mentioned of the jurisdiction and authorities thereby committed to them, and for enabling such Justices to decide in a summary way such questions as may be brought before them in that capacity, and for the division of the said respective Colonies into districts for the purposes of such jurisdiction, and for the frequent and punctual visitation by such Justices of the Peace of the apprenticed labourers within such their respective districts; and that it is also necessary that regulations should be made for indemnifying and protecting such Justices of the Peace in the upright execution and discharge of their duties: And that such regulations as aforesaid could not without great inconvenience be made except by the respective Governors, Councils, and Assemblies, or other local legislatures of the said respective Colonies, or by His Majesty, with the advice of His Privy Council, in reference to those Colonies to which the legislative authority of His Majesty in Council extends: it is therefore enacted and declared in and by the said Act, that nothing therein contained extends or shall be construed to extend to prevent the enactment by the respective Governors, Councils, and Assemblies, or by such other local legislatures as aforesaid, or by His Majesty, with the advice of His Privy Council, of any such Acts of General Assembly, or Ordinances, or Orders in Council as may be requisite for making and establishing such several rules and regulations as aforesaid, or any of them, or for carrying the same or any of them into full and complete effect: Provided nevertheless, and it is thereby enacted, that it shall not be lawful for any such Governor, Council, and Assembly, or for any such local legislature, or for His Majesty in Council, by any such Acts of Assembly, Ordinances, or Orders in Council as aforesaid, to make or establish any enactment, regulation, provision, rule, or order which shall be in anywise repugnant or contradictory to the said recited Act or any part thereof, but that every such enactment, regulation, provision, rule, or order shall be and is thereby declared to be absolutely null and void and of no effect.

Now, therefore, in pursuance of the said recited Act of Parliament, and for carrying the same into effect within the Colony of the Cape of Good Hope: Be it enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that the several Rules and Regulations hereafter-mentioned, shall extend to and be in force within the Colony of the Cape of Good Hope and the Dependencies thereof, upon, from, and after the 1st day of December, in this present year 1834.

CAP. 1.

ON THE JUDICIAL AND MINISTERIAL AGENCY TO BE EMPLOYED.

1. The Colony of the Cape of Good Hope shall, for the purposes of this Ordinance, be divided into not less than 25 special judicial districts.

2. The Governor shall by proclamation define, and, as occasion may require, reduce the number, or alter the limits of such districts.

3. One special Justice, at least, shall be appointed to each of the before mentioned districts.

4. In each district shall be set apart one or more tract or tracts of land, which, with the buildings to be erected thereon, shall be called the police settlement or police settlements of the district.

5. Every such police settlement shall be established in the vicinity of as large a body as may be of the population of the district.

6. It shall be lawful for the special Justice or special Justices of each district to license in such district places of safe custody and correction, situate at convenient distances from each other.

7. The Governor shall appropriate for the formation of the police settlements any waste lands of the Crown which may be situate conveniently for that purpose; and in districts where such Crown lands cannot be found, shall, by exchange or purchase, procure the lands wanting for the purpose.

8. At the first formation of any such police settlement, the members thereof, assisted by such hired labourers as may be indispensible, shall be employed in the erection of temporary buildings for their own occupation; such buildings to be hereafter superseded by more permanent buildings, to be erected by the means subsequently mentioned.

9. At each police settlement shall be erected a house of correction.

10. Until permanent police settlements shall be formed and the buildings requisite for that purpose erected, it shall be lawful for the Governor, with the advice and consent of the Legislative Council, to procure and provide, by hire or otherwise, suitable buildings, to be occupied temporarily as police settlements.

11. At each police settlement shall also be established a penal gang, to be composed of such persons as shall be condemned to imprisonment with hard labour.

12. Every such police settlement, place of safe custody and correction, shall be placed under the charge of the special Justice of the district.

13. Each police settlement shall consist of no less than serjeant and privates, all being able-bodied men, between the ages of twenty and fifty years.

14. The serjeant and privates of each police settlement shall be appointed by the Governor, and shall be liable to be removed by him for bad conduct or inefficiency.

15. The serjeants and privates shall be liable to be suspended from office by the special Justice of the

district, subject to the Governor's confirmation or disallowance of such suspension.

16. In addition to the police force stationed at each police settlement the special Justices shall appoint and swear in such persons in their respective districts, as they shall think fit, to act as constables. Nothing herein contained shall prevent an apprenticed labourer from being appointed, sworn in, and acting as a constable.

17. The special Justices shall, once in each quarter, respectively make to the Governor a report of the effective strength and condition of the police force at each settlement; and of the state of the buildings and provision grounds there, and of the state and conduct of the prisoners confined therein.

18. The Governor shall from time to time, by and with the advice of the Legislative Council, frame and publish all necessary rules for the the internal discipline of the said police settlements, and of the said places of safe custody and correction; for the clothing, arming, supporting and remuuerating the serjeants and privates of the said police; for remunerating the said constables; for securing the due performance, by the said police and constables, of their respective duties; for the employment of the penal gang and also of the serjeants and privates of the said police when not engaged in police duties; for the support of the prisoners in the said houses of correction and places of safe custody; for a due separation of prisoners of different sexes; for the classification of prisoners; for their religious instruction; for the maintenance of cleanliness, order, and sobriety amongst them; and for the prevention and prompt punishment of any neglect or violation of such rules. And all rules so framed and published shall be transmitted for His Majesty's approbation, and shall, until disallowed or altered, remain in full force.

19. It shall be the duty of the serjeant and the privates to carry into execution such orders as they shall receive from the special Justice for the prevention or repressing of crimes, and for enforcing obedience to the law, and for inflicting such punishments as are hereby authorized.

CAP. II.

ON THE PROCEDURE TO BE OBSERVED BY THE SPECIAL MAGISTRATES IN THE EXERCISE OF THEIR JURISDICTION.

1. Every special Justice shall reside within the district to which he is appointed, unless when prevented by sickness or other reasonable cause, to be allowed by the Governor.

2. Every such special Justice shall one day in each week, or oftener if need be, at the place of his residence, or at some other convenient place, hold a session for the hearing and deciding upon such cases as may be brought before him.

3. Every such special Justice shall keep a journal of all the cases brought before him, in which he shall enter, 1st, the date of the complaint; 2d, the name of the complainant; 3rd, the substance of the complaint: 4th, the names of the witnesses adduced on either side; 5th, the substance of the evidence; 6th, his decision on the case; 7th, whether the decision has been carried into effect; 8th, any general remarks which he may think desirable.

4. All such journals shall be kept in one uniform manner, to be prescribed for that purpose by the Governor.

5. At the end of each quarter the special Justice shall transmit to the Governor a duplicate of his journal for the preceding quarter, with an affidavit thereto annexed, to the effect that it has been faithfully kept, and that, with the exception of unintentional errors, it contains a true account of all the proceedings in which the deponent has been engaged as such special Justice, during the quarter to which it refers.

6. On receiving any complaint, it shall be the duty of the special Justice to reduce it to writing, and to cause it to be read by, or to read it over to, the complainant, by whom it shall then be subscribed.

7. If the complaint shall appear to the Justice immaterial, and not to deserve further inquiry, he may at once dismiss the complaint; but if he shall think inquiry necessary, he shall call upon the complainant to make oath that the complaint is true.

8. Upon taking any complaint, to the truth of which such oath shall have been so made, the special Justice shall either issue his warrant for the arrest of the party charged, or shall issue, if necessary, a summons for his attendance, as the case may require. The warrant of arrest shall be in the form annexed, marked A, and the summons in the form annexed, marked B.

9. The warrant of arrest shall be issued in all cases which impute to the party charged a capital or a transportable offence; in all cases where there is reason to apprehend that the party charged would endeavour to escape; and in all cases where there is reason to apprehend danger to the public peace from delay. In all other cases the Justice is to proceed in the first instance by summons, if necessary.

10. In cases in which it may be necessary to adduce witnesses in support of, or in answer to any such complaint, the Justice shall issue a summons, if necessary, to every such witness, in the annexed form, marked C.

11. At the time and place appointed by any such warrant or summons for proceeding upon any such complaint, the Justice shall, in the presence of all parties, or of such of them as being summoned shall attend in pursuance of such summons, first read over the written complaint, and then take down in writing the answer of the party charged, and then proceed to examine on oath the party complaining, and the witnesses, taking down in writing the deposition of each witness, which shall be read over to and signed by him.

12. The Justice may, from time to time, adjourn any such proceeding for further inquiry, and if necessary commit the party charged to custody pending such adjournment, or take bail for his appearance. Every such commitment or bail shall be in the annexed forms, marked D and E.

13. At the close of such proceedings, the Justice shall pronounce his decision thereupon, which decision he shall reduce into writing, and subscribe with his name.

14. By any such decision the Justice shall, as law and reason may seem to him to require, either dismiss the complaint, or sanction any lawful compromise between the parties which he may think just, or convict the party charged, or commit him to prison to take his trial for the imputed offence.

15. If the complaint shall be dismissed, the Justice shall, in such his written decision, state whether it was so dismissed as being unproved, or as being frivolous and vexatious, or as being malicious.

16. If any such complaint shall be so dismissed as frivolous and vexatious, the Justice may adjudge the complainant, if a labourer, to any number of stripes not exceeding fifteen; or if the complainant be the employer, the Justice may adjudge such employer to the payment of a penalty for the use of the labourer, of not less than ten shillings sterling, and not greater than five pounds sterling.

17. If any such complaint shall be so dismissed as malicious, it shall be competent to the Justice, at the instance of the party charged, to adjudge the complainant, if an apprenticed labourer, to imprisonment with hard labour, for any time not exceeding one month, or to any number of stripes not exceeding thirty; or, if the employer of any such labourer, to a fine not less than forty shillings sterling, and not greater than ten pounds sterling, for the benefit of the party charged, which judgment shall be a bar to any suit, action, o

prosecution against such complainant for calumny, defamation, or otherwise, in respect of such his complaint.

18. If the Justice shall, by such his decision, convict the party charged, or shall convict the complainant of preferring a frivolous and vexatious, or a malicious complaint, such conviction shall be severally drawn up according to the forms annexed, marked F. and G.

19. If such Magistrate shall commit the party charged to take his trial for the imputed offence, such commitment shall be drawn up in the form annexed, marked H.

20. Upon any such conviction as aforesaid, by such special Justice, he shall forthwith issue a warrant for the execution thereof.

21. All summonses, warrants, commitments, and other orders, so to be issued by any such Justice as aforesaid, shall be executed by the police officers of his district—such Justice being nevertheless authorized as occasion may require, to address the same to any other person or persons jointly with, or instead of such officers of police, as to him may seem requisite.

22. Any summons, warrant, or order, issued by any such special Justice within his own district, may, without any further authority, be carried into execution in any part of the Colony, though beyond such district.

23. If any person summoned by any such Justice as a witness, shall not appear in obedience to such summons, or appearing, shall refuse to be sworn or examined, or to answer any question proposed to him by such Justice in relation to the matters depending before him, it shall be lawful for such Justice to issue his warrant for the arrest of any such defaulter, or to commit him to close custody, there to remain until he shall submit to be so sworn and examined, and to make such answers as aforesaid. Every such warrant of arrest, or commitment, shall be in the forms annexed, marked I and K.

24. If it shall be made to appear to the satisfaction of the Governor and the Legislative Council that the forms of proceeding herein-before prescribed are needlessly burdensome upon the Justices of the several districts within the Colony, or of any one or more of such districts; or that they impede or interfere with the prompt and effective execution of the law, the Governor, with the advice and consent of the Legislative Council, shall be entitled to suspend any part of the preceding rules relating to such procedure, or to adapt the same to the circumstances of the case, so as more effectually to promote the punctual, orderly, and effective execution of the law; and for that purpose to frame and publish rules and ordinances, which shall be transmitted for His Majesty's confirmation, and which, until disallowed, shall be in full force.

25. If any suit or action shall be commenced against any special Justice, in respect of any act, matter, or thing by him done by virtue and in pursuance thereof; and if the Court shall give judgment for the defendant, the plaintiff shall, by such judgment, be condemned to pay treble costs of suit.

26 If in any such suit or action such Justice shall, at any time before final judgment, tender to the plaintiff sufficient amends for the wrong or injury in respect of which the same may be brought, and submit to pay the costs of suit up to that time incurred; and if the plaintiff shall refuse to accept such amends and costs of suit, then upon proof made to the Court at the trial of such suit, that such amends have been so tendered and were sufficient, judgment shall be given for the plaintiff in the amount of the sum so tendered, subject nevertheless to the reduction therefrom of the costs of suit of the defendant.

27. No suit or action shall be brought against any such Justice in respect of any matter or thing by him done under or in pursuance hereof, unless the same shall be commenced within six months after the cause of action accrued.

CAP. III.

ON THE DIVISION OF APPRENTICED LABOURERS INTO THEIR RESPECTIVE CLASSES.

1. In the Colony of the Cape of Good Hope all apprenticed laborers shall be classed as non-prædial laborers.

CAP. IV.

ON THE MAINTENANCE OF THE APPRENTICED LABOURERS.

1. Every employer shall be, and is hereby bound and required to maintain his apprenticed labourers by an allowance of provisions, and to supply such provisions to the amount and of the kinds following, that is to say, each and every apprenticed labourer, above the age of ten years, shall receive for each day:—

Ration No. 1. Not less than one pound and a half of bread, made of meal of wheat or indian corn, barley, oats, or rye, such meal, if made from barley, oats, or rye, being previously sifted from the husks of the grain; or, if bread cannot be furnished, then in lieu thereof, three quarters of a pound of the meal of any such grain as aforesaid for each pound of bread, together with one pound of good and wholesome beef, mutton, or goat's flesh.

Or, Ration No. 2. Two pounds of bread, or one and a half pound of meal as aforesaid, together with one half pound of good and wholesome beef, mutton, or goat's flesh.

Or, Ration No. 3. One pound of bread, or three quarters of a pound of meal, as aforesaid, together with one pound and a quarter of good and wholesome beef, mutton, or goat's flesh.

In case bread or meal cannot be furnished, then in lieu of a pound of bread, or three quarters of a pound of meal as aforesaid,—

Ration No. 4. Three quarters of a pound of bruised or pounded grain or corn aforesaid, or of millet, (commonly called caffre corn); or fourteen *ounces of raw* broad beans, peas, or lentils: or twelve pounds of raw greens, turnips or pumpkins, or six pounds of carrots, or three pounds of potatoes, or one pound of raw dry rice, cleaned from the husk, (such weights of these several substances having been ascertained to contain nutritious matter equal to that which is contained in one pound of bread,) or any mixed quantities thereof, in the proportions aforesaid, to make an equivalent for one pound of bread, together with one pound and a quarter of good and wholesome beef, mutton, or goat's flesh.

2. For each pound of beef, mutton, or goat's flesh, two pounds of fresh fish, or three quarters of a pound of salted fish, such fish being good and wholesome, and of kinds commonly used as food in this colony, may be substituted.

3. For every apprenticed labourer under ten, but above three years of age, there shall be furnished one-half the quantities of any of the aforesaid rations; and for every child under three years of age, one-third of any of the aforesaid rations.

4. Domestic apprenticed labourers, or those who are victualled in the family of their employers, may be provisioned according to the manner of living in such family; but every employer who shall withhold from, or neglect to provide each of such apprenticed labourers with a quantity of wholesome food equivalent to some one of the quantities hereinbefore prescribed as forming a daily ration, shall incur and be liable to a fine of *one shilling* in respect of every apprenticed labourer from whom, and of every day during which, such sufficient food shall be so withheld or unprovided; and every such fine shall accrue to, and be for the benefit of the apprenticed labourer or labourers who is or are injured by any such omission or neglect.

Digitized by Google

5. And whereas it may happen to be impossible in certain cases to supply any such rations prescribed as aforesaid, then, and in such cases any employer may lawfully substitute in lieu thereof such other quantity or kind of food as is usually deemed fit for human sustenance, and as such is partaken of by agriculturists and their servants of free condition in times of scarcity in this colony; and in every such case, every such employer shall make report by any means in his power, and without unnecessary delay, to the special Justice of the district, that he has been compelled by necessity to substitute such food as aforesaid, and in such report shall state the description and daily quantity thereof furnished; and in every such case, where any such apprenticed labourer shall complain in respect of his provisions, the employer, on proof that he has done every thing in his power towards the proper maintenance of his apprenticed labourers, shall be relieved from payment of any penalty in respect of his having failed to provide any apprenticed labourer with the prescribed allowance of food; and if any apprenticed labourer shall make any malicious complaint under such circumstances as aforesaid, he shall on conviction be liable to imprisonment with hard labor for any time not exceeding three calender months, or if such offender be a male, to punishment by whipping not exceeding 39 lashes.

6. ON THE DISSOLUTION OF THE APPRENTICESHIP BY CONTRACT OR APPRAISEMENT.

1. Subject to the regulations hereinafter made, any person being the employer of any apprenticed laborer in the Colony of the Cape of Good Hope, may, by his or her last will, or by deed under his or her hand or seal, at his or her pleasure, discharge any such apprenticed labourer, so far as relates to the interest of every such testator or grantor, and that every such discharge shall, as far as relates to the interest of the testator or grantor, as the case may be, but no further, or otherwise be valid and effectual in the law for the perpetual discharge of any such apprenticed labourer: Provided nevertheless, that no person having a partial or temporary interest in any apprenticed labourer, may, to the extent of such interest, effect his or her discharge, gratuitously, unless all other persons, having a partial, future, or reversionary interest in such apprenticed labourer, shall consent, or be parties to such discharge, or unless such partial, future, or reversionary interests shall be purchased in the manner hereinafter provided.

2. And, in order to prevent the fraudulent discharge of apprenticed labourers, incompetent from age or disease to earn their own living, it is further ordered, That in case any such deed of discharge shall be executed gratuitously and without any valuable consideration passing to the employer or other person effecting the same, the apprenticed laborer so to be discharged shall, previously to the actual execution of any such deed, appear before the special Justice for the district in which the apprenticed labourer is resident; and if it shall appear to the said special Justice that such apprenticed labourer is under the age of fourteen years, or above the age of fifty years, or is labouring under any habitual disease or infirmity of mind or body, the employer or person effecting such discharge shall, under his or her hand and seal, execute and deliver to the said special Justice a bond to His Majesty in the penal sum of fifty pounds, with a condition thereunder written for the defeazance thereof, if such apprenticed labourer shall be properly fed, clothed, and maintained until the time when the term of apprenticeship would have expired, if such discharge had not been made; and no

such gratuitous discharge shall be valid and effectual in the law until such bond as aforesaid shall be duly executed.

3. Provided nevertheless, That no such bond as aforesaid shall be required in the case of any discharge by will; but if at the time of the death of the testator, the apprenticed labourer so discharged shall be under the age of fourteen years, or above the age of fifty years, or labouring under any such disease or infirmity as aforesaid, the estate of every such testator shall be liable to, and chargeable with, the maintenance of such apprenticed labourer, as fully as if the said testator had, in his or her life-time, executed such bond as aforesaid.

4. And, to prevent ignorant apprenticed labourers effecting the purchase of their discharge from persons unable to make any valid title to the same, it is and shall be lawful for any person, being the employer of any apprenticed labourer in the said Colony, to contract with such apprenticed labourer, through the agency of any such special Justice as aforesaid, acting for and on behalf of such apprenticed labourer, but not otherwise, for the discharge of the said apprenticed labourer, at a price to be agreed upon between the said employer and the said special Justice respectively; and in case of any such contract, it shall be the duty of the said special Justice, on behalf of the said apprenticed labourer, to satisfy himself that the person proposing to effect the said discharge has good right and title in the law, and is competent to effect the same; and it shall also be the duty of the said special Justice, without fee or reward, to prepare, in every such case, the proper deed of discharge, which shall in all cases be executed in the presence of, and attested by the said special Justice, or some proper person to be especially appointed by him to be such witness thereto; and every such deed being so executed shall, by such special Justice be enrolled in the Supreme Court of Civil Justice in and for the said Colony of the Cape of Good Hope, within one calendar month next after the date and execution thereof; and in case any such deed shall not be so enrolled by the said special Justice, within the said period of one calendar month, the said special Justice shall incur and be liable to the payment of a fine of not less than ten pounds, nor more than fifty pounds.

5. And to provide for the discharge of apprenticed labourers desiring to obtain the same by purchase, in cases where the employers of such apprenticed labourers may be unwilling or unable to contract for such discharge, the employer of any apprenticed labourer or any person having any interest in any such apprenticed labourer, shall be unwilling to effect his or her discharge, or shall, by reason of any mortgage or settlement, or lease or charge upon, or interest in such apprenticed labourer being vested in any other person or persons, be unable to execute a valid and effectual discharge of such apprenticed labourer; or if the employer, or any other person having a charge upon, or interest in, any such apprenticed labourer shall be a minor, or a married woman, or idiot, or lunatic; or if the real employer of any such apprenticed labourer shall be absent from the said Colony, or shall not be known; or if any suit or action shall be depending in any Court of Justice in the said Colony, wherein the right to the service of such apprenticed labourer shall or may be in controversy; or if the employer of any such apprenticed labourer shall demand, as the price of his or her discharge, a greater sum of money than may appear to the said special Justice to be the fair and just value thereof; then, and in each and every of the cases aforesaid, the Chief Justice or any Judge of the Supreme Court of the said Colony, on application to him for that purpose made by the said special Justice, shall issue a summons under his hand and seal, requiring the employer of such apprenticed labourer to appear before him at some convenient time and place to be in such summons for that purpose appointed, and notice shall be published by the said special Justice in the public Gazette of the said Colony, of the time and place appointed for the purpose aforesaid; and in such notice, all persons having or claiming to have any title or interest to or in the services of the apprenticed labourer proposed to be discharged, either in their own right, or as the agents, guardians, attornies, trustees, or representatives of any other person, shall be required to attend and prefer such claims.

6. At the time appointed for any such meeting as aforesaid, the Chief Justice or any Judge of the Supreme Court of the said Colony, in the presence of the said special Justice, and also in the presence of the employer of the apprenticed labourer proposed to be discharged, or upon proof being made to him upon oath of the due service and publication of such notice as aforesaid, then, if necessary, in the absence of such employer, shall proceed to hear in a summary way what may be alleged by the said special Justice, and by the employer, or other persons claiming any interest in the services of the apprenticed labourer proposed to be discharged, and attend in pursuance of any such notice; and in case the said parties, or any of them, shall refuse to effect such discharge at a price approved by the said special Justice, or in case it shall be made to appear to the said Chief Justice or any Judge of the Supreme Court that a valid and effectual discharge of such apprenticed labourer cannot legally be effected by private contract, or that the employer of such apprenticed labourer, or any person having any charge upon, or interest in the services of such apprenticed labourer, is a minor, or a married woman, or idiot, or lunatic, or that the employer of the apprenticed labourer, or any person having any charge upon, or interest in, the services of such apprenticed labourer, is absent from the said Colony, or is unknown, or cannot be found, or that any action is depending in any Court of Justice in such Colony wherein the right to the services of such apprenticed labourer is in controversy, then, and in every such case, the said Chief Justice or any Judge of the Supreme Court shall require the special Justice and the employer of such apprenticed labourer; if attending in pursuance of such notice, each to nominate an appraiser of the value of his or her services for the remainder of such apprenticeship, and the said Judge shall himself nominate an umpire between such appraisers; but if such employer being duly summoned as aforesaid, shall fail to attend, or attending shall refuse or omit to nominate an appraiser, then the said Judge shall not only nominate such umpire as aforesaid, but shall also nominate an appraiser on behalf of such employer.

7. The appraisers so to be nominated as aforesaid, shall be duly sworn by and before the said Chief Justice, or any Judge of the Supreme Court, to make a fair and impartial appraisement of the value of the services of the apprenticed laborer so proposed to be discharged, and within seven days next after such their appointment, such appraisers shall make a joint valuation of the said services, and shall certify such their valuation to the said Chief Justice, or any Judge of the Supreme Court, under their hands and seals, and in case such joint certificate shall not be so made and delivered to the said Judge within the said term of seven days, then the said umpire, being duly sworn in manner aforesaid, shall within the next succeeding seven days certify his valuation to the said Judge; and the valuation to be made in manner aforesaid, either by the said joint appraisers, or in their default by the said umpire, shall be binding and conclusive, and shall be entered and enrolled among the records of the Supreme Court of Civil Justice in and for the said Colony.

8. Provided nevertheless, That if it shall be made to appear to the said Judge, within one calendar month next after such valuation shall have been made, that in the making thereof the said appraisers or umpire, or any or them, acted fraudulently or unjustly, or under the influence of any improper motive, or under any mistake as to the nature of their or his duty, or under any misapprehension of any material matter of fact, then, but not otherwise, it shall be lawful for the said Judge to set aside the said valuation, and to declare the same to be void, and to direct another valuation to be made in manner aforesaid, for which purpose new appraisers and a new umpire shall in manner aforesaid be appointed and sworn, and shall proceed to make a second valuation, which being certified to the said Judge in manner aforesaid, shall be to all intents and purposes binding and conclusive: Provided that such second or any subsequent valuation may in like manner be set aside by any such Judge on the grounds aforesaid, until a valuation is made not open to any such objection.

9. Provided also, That if the amount of any such valuation shall not be paid in manner hereinafter mentioned, within three calendar months next after the enrolment thereof, such enrolment shall be cancelled.

10. Upon or within three calendar months next after the

enrolment in the Supreme Court of Justice of the said Colony of any such valuation as aforesaid, it shall be lawful for any special Justice as aforesaid of such Colony out of any monies to be supplied to him for that purpose, by the apprenticed laborer proposed to be discharged, to pay to the Treasurer of the said Colony, the appraised value of the services of such apprenticed laborer, taking a receipt in writing from such Treasurer for every such payment; and the Chief Justices, or any Judge of the Supreme Court of the said Colony shall, upon application to him for that purpose made by the said special Justice, make an order for the enrolment in the said Supreme Court of Justice of such receipt, and the said Chief Justice, or any Judge of the Supreme Court, shall by such order further proceed to declare and adjudge, that the apprenticed laborer, by or on behalf of whom such money hath been paid, is discharged; and such apprenticed laborer shall thereupon be, and be deemed taken, and reputed to be discharged to all intents and purposes from such apprenticeship.

11. The money to arise from the discharge of any apprenticed laborer by virtue of the proceedings before mentioned shall remain in the hands of the public Treasurer of the said Colony, and shall bear interest at and after the rate of five pounds per cent. per annum, and His Majesty's revenue in the said Colony shall, and is hereby declared to be pledged and responsible for the due payment of such principal money and interest; or shall in the discretion of such Treasurer be invested in the purchase, in his name, of any public funds or securities of Great Britain and Ireland; and the Chief Justice, or any Judge of the Supreme Court, of the said Colony shall, and he is hereby authorized, upon application to him for that purpose made, to direct that the money in the hands of the said Treasurer, and the interest accruing on such money, or the public funds of Great Britain and Ireland so to be purchases as aforesaid, and the dividends payable thereupon, shall be the property of the person or persons who was or were entitled to the services of such discharged apprenticed laborers, and shall be subject and liable to all such and the same uses, trusts, limitations, conditions, mortgages, claims, and demands of what nature or kind soever, as such services were subject unto at such time of the discharge of such apprenticed laborer. And the said Treasurer shall hold the said money, and the interest accruing thereupon, or the said public funds and dividends, subject to such order as such Chief Judge of the said Colony may, upon a summary application of any person interested therein, and upon notice to all other persons interested therein, or their Agents, see fit to make; and such principal money and interest shall by such Treasurer be paid and disposed of in pursuance of, and in obedience to, any such order.

12. It shall and may be lawful for the Chief Justice, or any Judge of the Supreme Court, of the said Colony to make and prescribe, and from time to time to revoke and alter, as occasion may require, all such rules and orders as may be necessary for the regular and proper exercise of the jurisdiction hereby in him vested, and for regulating the proceedings of all persons who may be parties to or interested in any question so depending before him.

PEREMPTORY SALE,

Of very valuable LANDED PROPERTY, situate in the Gardens; superior modern London-made Household Furniture, Horses, Carriages, and other Effects.

On MONDAY, the 29th DECEMBER, 1834,
AND THE FOLLOWING DAYS,
At half-past NINE o'Clock precisely,
(On account of the number of Lots,)
WILL BE SOLD BY AUCTION,
PEREMPTORILY TO THE HIGHEST BIDDER,
By Order of the Supreme Court,
IN THIRTY-FOUR LOTS,

ALL that valuable and most desirable Property called *Welgedaan*, situate in the Gardens, and extending each way to the Residences of Sir JOHN WYLDE and Colonel BELL, enclosed in substantial Walls; with a large portion of contiguous Land most eligibly situated for Building, containing in the whole between 3 and 4 morgen.

Welgedaan comprises a very spacious and elegant Dwelling House, calculated for the Residence of a large Family of the first distinction, containing on the ground floor two very handsome Drawing Rooms, 24 by 18; a noble Saloon, 37 by 18; a Dining Room, 24 feet in length, and a Sitting Room, 16 by 15. These Rooms are all floored and ceiled in a very superior manner, and fitted up throughout at great expense, in the very best style of modern English taste.

The upper part of the House contains five spacious airy Sleeping Rooms, commanding a very delightful prospect of the Valley and of Table Bay.

The Offices are numerous and convenient, consisting of a Kitchen, Store Rooms, four Servants' Apartments, Coach House and Stabling, with very spacious double and single Wine and Grain Stores, which may be let at profitable Rents, if not required by the Proprietor.

The Grounds are extensive, and are well fenced and shaded with Oaks.

The Land is exceedingly productive, and is in the highest state of cultivation.

The Buildings are in substantial repair; the Roofs have been newly constructed within the last few years, and are planked throughout with Teak. A perpetual stream of Water runs along the upper side of the Property without the Walls, to the use of which it is intitled, under regulations which will be made known at the time of Sale.

This Property will first be sold in separate Lots, then particular Lots will be put up together, in order to enable the Purchasers to obtain larger allotments, if they desire it; and, finally, the whole Property will be put up together in one Lot in the usual manner,—*vide* the Conditions of Sale.

Lot 1, comprises the HOUSE, Office, a large Yard, and a portion of the Ground, measuring 1 morgen, 623 square roods, and 63 feet.

Lot 2, consists of a very excellent Store, 91 by 22, with a Teak Roof, an adjoining Store, 40 by 18, which may be easily converted into a Dwelling House at a small expense, and a Yard.

The remaining Lots vary in their dimensions, but have been laid out in conformity with a design which has been formed for the appropriation of this part of the Property to the erection of second and third-rate Houses,—a class of Buildings which is very much wanted for the occupation of respectable Tenants of limited income. The purity of the atmosphere at this elevation of the Valley, the contiguity of this Property to the Town and the Government Gardens, and the number of good Roads and respectable Residences with which it is surrounded, renders it, perhaps, without a single exception, the most eligible spot in Table Valley for such a mode of appropriation.

Conditions of Sale, and engraved Plans of the Property, may be had by the end of November, at the Master's Office, at the Commercial Room, at Mr. JONES', the Auctioneer, on the Parade, and at the Offices of the Trustees.

On TUESDAY, the 30th DECEMBER, 1834,
WILL BE SOLD BY AUCTION,
PEREMPTORILY TO THE HIGHEST BIDDER,

The whole of the Household Furniture and other Effects in the Estate, consisting of very superior London-made Mahogany Chairs and Sofas; dining, sofa, card, and work Tables, Side Boards, Book Cases, Wardrobes.

In vier en dertig Percelen:

Het kostbare en zeer verkieslyke Eigendom genaamd *Welgedaan*, gelegen in de Tuinen, strekkende zich aan beide kanten uit naar de Residentien van Sir JOHN WYLDE en Kolonel BELL, omringd met sterke Muren; benevens een groot gedeelte aangrenzend Land, zeer verkieslyk gelegen om op te bouwen, behelzende in het geheel tusschen 3 en 4 morgen.

Welgedaan bevat een zeer ruim en fraai Woonhuis, geschikt voor eene groote Familie van het eerste aanzien, hebbende onder twee mooye Visitekamers, 24 by 18; eene prachtige Zaal, 37 by 18; een Eetkamer, 24 voet lang, en een Zitkamer, 16 by 15. Deze Kamers zyn allen netjes gevloerd en geblafonneerd, en met groote kosten ingerigt naar den besten styl en den nieuwsten Engelschen smaak.

Het bovenste gedeelte van het Huis bevat vyf ruime luchtige Slaapkamers, hebbende een zeer aangenaam uitzigt over de Vallei en de Tafelbaai.

De Buitengebouwen zyn zeer talryk en geryfelyk, bestaande in een Keuken, Provisiekamers, vier Knechtsvertrekken, Koetshuis en Stal, met zeer ruime dubbele en enkele Wyn- en Graanpakhuizen, welke tegen voordeelige huur kunnen verhuurd worden, indien niet benoodigd door den Eigenaar.

De Grond is zeer uitgebreid, en is wel omringd en belommerd met Eikenboomen.

Het Land is buitengemeen vruchtbaar en in den besten staat van cultivatie.

De Gebouwen zyn in substantieele reparatie, zynde de Platten nieuw gelegd binnen de laatste jaren, en doorgaans met kajatehouten Planken. Een gestadige stroom water loopt langs de bovenzyde van het Eigendom buiten de Muren, tot welkers gebruik het geregtigd is, onder bepalingen welke ten tyde der Verkooping zullen worden bekend gesteld.

Dit Eigendom zal eerst in separate percelen worden verkocht, daarna zullen byzondere deelen gezamenlyk worden opgeveild, om de Koopers in staat te stellen grootere stukken te bekomen, indien zy zulks verkiezen; en eindelyk zal het geheele Eigendom in eens gezamenlyk worden opgeveild, op de gewone wyze—zie de Veilkonditien.

Perceel 1, bevat het Huis, Buitengebouw, een groote Achterplaats en een gedeelte van den Grond, groot 1 morgen, 623 kwadraat roeden en 63 voeten.

Perceel 2, bestaat uit een zeer goed Pakhuis, 91 by 22, met een kajatehouten Plat, een annex Pakhuis, 40 by 18, dat met geringe kosten gemakkelyk kan worden veranderd in een Woonhuis, en een Achterplaats.

De overige Percelen verschillen in derzelver grootte, doch zyn verdeeld overeenkomstig een plan dat geformeerd is om dit gedeelte van het eigendom te gebruiken tot het bouwen van Huizen van de tweede en derde soort,—eene klasse huizen welke zeer gewild is tot het bewonen van respectabele huurders die een bepaald inkomen hebben. De zuiverheid der lucht op deze hoogte der Vallei, de nabyheid van dit eigendom aan de Stad en 's Gouvernements Tuin, en de menigte goede wegen en fatsoenlyke woningen waarmede het omringd is, maakt het misschien, zonder eene enkele uitzondering, de verkieslykste plek in de Tafelvallei om tot dat einde te gebruiken.

De Koopkonditien en gegraveerde Plannen van het Eigendom zyn te bekomen, tegen het einde van November, op het Meesters Bureau; aan de Beurs; by den Hr. JONES, Vendu-Afslager, op de Parade, en ten Kantore van de Curatoren.

ORDINANCE

Enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof,

For regulating the Trade in Gunpowder within this Colony.

WHEREAS it is expedient to remove the restrictions which now exist upon the purchase and sale of Gunpowder within this Colony, and to render the dealing therein as free as a due regard to the public safety will admit; and also to make provision for the prevention of accidents in storing and transporting the same: Be it therefore enacted by the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, that, from and after the passing of this Ordinance, the Proclamation of the 27th June, 1797, and all other Laws, Ordinances, and Proclamations relating to the Trade in Gunpowder, in so far as they relate thereto, and in so far as they have not been repealed by the Order of His Majesty in Council, bearing date the 22d day of February, 1832, shall be, and the same are hereby, repealed accordingly.

II. And be it further enacted, That, unless by the special permission of the Governor, no Gunpowder, imported into this Colony, shall be landed at any place other than in Table Bay, Simon's Bay, or Algoa Bay, and only at such places in the said Bays as the Governor shall from time to time appoint by any Proclamation to be by him duly published in that behalf.

III. And be it enacted, That every Importer or Consignee of Gunpowder, imported into this Colony, for Colonial consumption, shall, before applying for, or obtaining from any Officer of the Customs, any Warrant or Permit to land the same, apply for, and obtain, from the Commissioner or Distributor of Stamps for the District or Place within which such Gunpowder is intended to be landed, who are hereby respectively authorized and required to grant the same, a Permit to store such Gunpowder, signed by such Collector or Distributor of Stamps respectively, on Paper stamped of the value of Threepence for every pound of Gunpowder so intended to be landed; and if any Officer of Customs shall grant any Warrant or Permit to land any such Gunpowder at any place within this Colony, without such stamped Permit, so signed as aforesaid, having been first produced to him, he shall, for every such offence, incur and be liable to a Fine of £50, and every Person who shall land, cause to be landed, or attempt to land, at any place within this Colony, any such Gunpowder, without having first obtained such stamped Permit to store the same, as aforesaid, shall, for every such offence incur and be liable to a Fine not exceeding £100, and in default of payment, or satisfaction thereof by legal process, shall be subject to imprisonment for any period not exceeding one Year, and all such Gunpowder landed or attempted to be landed without such stamped Permit for storing the same having first been obtained in manner aforesaid, shall be forfeited to His Majesty.

12. Iedere getrouwde vrouw, niettegenstaande haar huwelyk, en ieder minderjarige van twaalf jaren en daarboven, niettegenstaande zyne minderjarigheid, zal bevoegd zyn zoodanige kontrakten als voormeld voor taakwerk of voor extra dienst aan te gaan.

13. Indien eenig dienstheer van eenigen geapprenticeerden arbeider, of eenig persoon, die, als opzigter of anderzins, het gezag van den dienstheer over eenigen geapprenticeerden arbeider uitoefent, eenigen zoodanigen geapprenticeerden arbeider zal zwepen, slaan, confineren, in het blok sluiten, of anderzins mishandelen, of by wege van straf, zyn persoon zal aanranden, zal zoodanig dienstheer of ander persoon verbeuren eene boete, door zoodanigen specialen Vrederegter als voormeld te worden opgelegd, niet te bovengaande vyf ponden sterling, met confinement voor eenigen tyd niet te bovengaande eene maand, by gebreke van betaling van zoodanige boete.

14. In eenig zoodanig laatstgemeld geval, zal het iederen zoodanigen geapprenticeerden arbeider vrystaan, instede van zyne klagte voor zoodanigen specialen Vrederegter te brengen, eenig civiel proces of actie, als in het geval van eenig ander vry persoon, voor schadevergoeding voor zoodanige aanranding te beginnen; en het zal zoodanigen specialen Vrederegter mede vrystaan, zoo hy zulks noodig oordeelt, van het opleggen van zoodanige boete af te zien, en den overtreder te committeren ter teregtstelling voor zoodanige overtreding voor eenig Hof dat jurisdictie in hetzelve heeft. Indien eenig zoodanig dienstheer of ander persoon voor eenig Hof van competente jurisdictie zal worden overtuigd van eenige wreedheid jegens zynen geapprenticeerden arbeider, of indien eenig zoodanig dienstheer of ander persoon tweemaal zal worden overtuigd eenige corporele straf te hebben aangedaan, of eenige aanranding op den persoon van eenigen zoodanigen arbeider te hebben begaan, alsdan zal de arbeider van zyn apprenticeshap worden ontslagen, op last van het Hof voor welk zoodanige overtuiging zal plaats hebben.

KAP. VII.

Over overtredingen welke door de geapprenticeerde arbeiders tegen den staat zullen worden begaan, en de straf van zoodanige overtredingen.

1. Indien eenig geapprenticeerd arbeider zal worden gevonden op eenige plaats meer dan vyf mylen afstands van de woonplaats, geen geschreven pas tot dat einde van zynen of haren dienstheer, of van een of meer der speciale Vrederegters van het distrikt waartoe hy of zy beboort, by zich hebbende, zal zoodanig geapprenticeerd arbeider

onderhevig zyn te worden geapprehendeerd en voor eenigen specialen Vrederegter gebragt, en op bewys voor zoodanigen Vrederegter van de daadzaken voormeld, zal zoodanig geapprenticeerd arbeider worden geoordeeld een vagebond te zyn, en dienvolgens worden gestraft: Met dien verstande niettemin, dat niets hierin vervat eenige zoodanige straf zal opleggen aan eenigen geapprenticeerden arbeider, die zich zonder zoodanige pas als voormeld absenteert, op eenigen afstand binnen deze kolonie van zyne of hare woonplaats, gedurende eenigen tyd op welken hy of zy niet verpligt zal zyn in de dienst van zynen of haren dienstheer te werken, indien zoodanig geapprenticeerd arbeider dus afwezig zal zyn in het voortzetten van zyne of hare wettige bezigheid, of in het bywonen van eenige plaats van openbare godsdienst, of op weg naar of van eenige plaats van publieke godsdienst, en ten genoegen van eenigen specialen Vrederegter voor wien hy of zy dus zal worden gebragt, zal bewyzen dat zyne of hare afwezigheid alleen gedurende zoodanigen tyd heeft plaats gevonden, en alleen is veroorzaakt door eenige zoodanige reden als voormeld.

2. Geen geapprenticeerd arbeider zal de kolonie mogen verlaten, uitgezonderd met een paspoort van den Gouverneur, welk paspoort niet zal worden verleend dan met schriftelyke toestemming van den dienstheer.

3. Ieder arbeider die de kolonie verlaat of tracht te verlaten zonder zoodanig paspoort, zal onderhevig zyn aan confinement met harden arbeid, voor eenigen tyd niet te bovengaande zes maanden.

4. Alle degenen die eenig geapprenticeerd arbeider uit de kolonie in eenige boot of vaartuig wegvoeren, of daarin behulpzaam zyn, zonder een paspoort van den Gouverneur, zullen onderhevig zyn aan eene boete van vyftig ponden sterling, of aan confinement voor eenigen tyd niet te bovengaande eene maand.

KAP. VIII.

Over de vernietiging van het apprenticeschap by kontrakt of taxatie.

1. Onderworpen aan de hierin nader gemaakte regulatien, zal een ieder die de dienstheer van eenigen geapprenticeerden arbeider in de Kolonie de Kaap de Goede Hoop is, by zynen of haren uitersten wil, of by acte onder zyne of hare hand of zegel, naar zyn of haar goedvinden, eenigen zoodanigen geapprenticeerden arbeider mogen ontslaan, zoo ver als betrekking heeft tot het belang van ieder zoodanig testateur of begiftiger, en dat ieder zoodanig ontslag, zoo ver als betrekking heeft tot het belang van den testateur of begiftiger, naar het geval moge zyn, doch niet verder of anderzins, valide en van kracht in regten zal zyn tot het voortdurend ontslag van eenig zoodanig geapprenticeerd arbeider: Met dien verstande niettemin, dat niemand die een gedeeltelyk of tydelyk belang in eenig geapprenticeerd arbeider heeft, zyn of haar ontslag, tot de grootte van zoodanig belang, voor niet zal mogen bewerkstelligen, ten zy alle andere personen die een gedeeltelyk, toekomend of overlevend belang in zoodanig geapprenticeerd arbeider hebben, daarin zullen toestemmen, of partyen zyn by zoodanig ontslag, of ten zy zoodanige gedeeltelyke, toekomende of overlevende belangen op de wyze hieronder bepaald zullen worden gekocht.

2. En ten einde het frauduleus ontslag van geapprenticeerde arbeiders, wegens ouderdom of ziekte onbekwaam om hun eigen onderhoud te verdienen, te voorkomen, zoo wordt verder gelast, dat ingeval eenige zoodanige acte van ontslag vrywillig zal worden gepasseerd, zonder dat de dienstheer of ander persoon die hetzelve bewerkstelligt, iets daarvoor geniet, de dus te ontslane geapprenticeerde arbeider, bevorens de werkelyke uitmaking van eenige zoodanige acte, voor den specialen Vrederegter van het distrikt waarin de geapprenticeerde arbeider woonachtig is, zal moeten compareren; en indien het aan den gem. specialen Vrederegter zal blyken, dat zoodanig geapprenticeerd arbeider onder den ouderdom van veertien jaren of boven de vyftig jaren oud is, of aan eenige verouderde kwaal of ziels of ligchaams zwakheid laboreert, zal de dienstheer of persoon die zoodanig ontslag bewerkstelligt, onder zyne of hare hand en zegel moeten passeren en overleveren aan den gem. specialen Vrederegter, eene obligatie aan Zyne Majesteit, in de penale som van £50, met eene daaronder geschreven voorwaarde tot de vernietiging daarvan, indien zoodanig geapprenticeerd arbeider behoorlyk zal worden gevoed, gekleed en onderhouden tot den tyd wanneer het apprenticeschap zou zyn geëxpireerd, indien zoodanig ontslag niet ware gemaakt; en geen zoodanig vrywillig ontslag zal valide en van kracht in regten zyn, voor dat zoodanige obligatie als voormeld behoorlyk zal zyn gepasseerd.

3. Met dien verstande niettemin, dat geene zoodanige obligatie als voormeld zal worden vereischt in het geval van eenig ontslag by testament; doch indien ten tyde van het overlyden van den testateur, de dus ontslagen geapprenticeerde arbeider onder den ouderdom van veertien jaren of boven den ouderdom van vyftig jaren zal zyn, of aan eenige zoodanige ziekte of zwakheid als voormeld laboreert, zal de boedel van iederen zoodanigen testateur onderhevig zyn aan en belast worden met het onderhoud van zoodanigen geapprenticeerden arbeider, even als of de gem. testateur zoodanige obligatie als voormeld in zynen of haren leeftyd had gepasseerd.

4 En ter voorkoming dat onkundige geapprenticeerde arbeiders hun ontslag koopen van personen die buiten staat zyn eenig wettig regt daarop te geven, zal het ieder persoon, de dienstheer zynde van eenig geapprenticeerd arbeider in de gem. kolonie, vrystaan, met zoodanig geapprenticeerd arbeider, door bemiddeling van eenigen zoodanigen specialen Vrederegter als voormeld, handelende voor en van wege zoodanig geapprenticeerd arbeider, doch niet anders, wegens het ontslag van den gem. geapprenticeerden arbeider, te kontrakteren, tegen eenen tusschen den gem. dienstheer en den gem. specialen Vrederegter respectivelyk overeen te komen prys; en ingeval van eenig zoodanig kontrakt, zal het de pligt van den gem. specialen Vrederegter zyn, zich, van wege den gem. geapprenticeerden arbeider, te overtuigen, dat de persoon die voorstelt het gem. ontslag te bewerkstelligen, volgens de wetten goed regt en titel heeft en bevoegd is hetzelve te doen; en het zal mede de pligt van den gem. specialen Vrederegter zyn, om zonder eenige leges of belooning, in elk zoodanig geval, de behoorlyke acte van ontslag op te maken, welke in alle gevallen zal moeten worden gepasseerd in de tegenwoordigheid van, en gecertificeerd door den gem. specialen Vrederegter, of eenig ander geschikt persoon, welke door hem als zoodanig getuige daartoe speciaal zal worden benoemd; en elke zoodanige acte dus gepasseerd zynde, zal door zoodanigen specialen Vrederegter moeten worden geregistreerd by het Hooge Geregtshof van Civile Justitie in en voor de gem. Kolonie de Kaap de Goede Hoop, binnen eene kalender maand volgende op den datum en uitvoering daarvan; en ingeval eenige zoodanige acte door den gem. specialen Vrederegter niet binnen den gem. tyd van eene kalender maand dus zal worden geregistreerd, zal de gem. speciale Vrederegter verbeuren en onderhevig zyn aan de betaling eener boete van niet minder dan tien ponden, noch meer dan vyftig ponden sterling.

5. En ten einde te voorzien voor het ontslag van geapprenticeerde arbeiders, die verlangend zyn hetzelve te bekomen, in gevallen waar de dienstheeren van zoodanige geapprenticeerde arbeiders ongenegen of buiten staat zyn voor zoodanig ontslag te kontrakteren, of de dienstheer van eenig geapprenticeerd arbeider, of eenig persoon die eenig belang heeft in eenig zoodanig geapprenticeerd arbeider, ongenegen of onwillig zal zyn, om zyn of haar ontslag te verleenen, of om reden van eenig verband, of erfmaking, of verhuring, of last op, of eenig belang in eenig zoodanig geapprenticeerd arbeider, gevestigd in eenig ander persoon of personen, buiten staat zyn een wettig en behoorlyk ontslag van zoodanig geapprenticeerd arbeider daar te stellen, of indien de dienstheer, of eenig ander persoon een verband hebbende op, of belang in eenigen geapprenticeerden arbeider, een minderjarige zal zyn, of eene getrouwde vrouw, of een krankzinnige; of indien de ware dienstheer van zoodanigen geapprenticeerden arbeider buiten de Kolonie zal afwezend zyn, of niet bekend zal zyn, of indien eenig proces of actie hangende zal zyn voor eenig geregtshof in de gem. Kolonie, waarin het regt op de diensten van zoodanigen geapprenticeerden arbeider wordt of kan worden betwist; of indien de dienstheer van eenigen zoodanigen geapprenticeerden arbeider, als den prys van zyn of haar ontslag, eene grootere som gelds zal vragen dan den gem. specialen Vrederegter zal voorkomen als de billyke en regtmatige waarde daarvan, dan en in ieder der gevallen boven vermeld, zal de Hoofdjusticier of eenig ander Regter van het Hooge Geregtshof van de gem. Kolonie, op aanzoek by hem tot dat einde gedaan door den gem. specialen Vrederegter, eene dagvaarding onder zyne hand en zegel uitvaardigen, requi-

rerende den dienstheer van zoodanigen geapprenticeerden arbeider voor hem te compareren, op eenigen geschikten tyd en plaats tot dat einde in zoodanige dagvaarding bepaald, en de gez. speciale Vrederegter zal in de publieke Courant van de gez. Kolonie kennis moeten geven van den tyd en de plaats bepaald voor het einde voormeld, en in zoodanige kennisgeving zullen alle personen, hebbende of voorgevende te hebben eenig regt tot of belang in de diensten van den gez. geapprenticeerden arbeider, die voorgesteld werd dus te worden ontslagen, hetzy in hun eigen regt, of als agenten, voogden, zaakwaarnemers, curatoren of vertegenwoordigers van eenig ander persoon, moeten worden opgeroepen om te compareren en zoodanige vorderingen in te dienen.

6. Op den tyd bepaald voor zoodanige byeenkomst als voormeld, zal de Hoofd-Justicier, of eenig ander Regter van het Hooge Geregtshof van de gez. Kolonie, in het byweten van den gez. specialen Vrederegter, en mede in het bywezen van den dienstheer van den geapprenticeerden arbeider, voorgesteld te worden ontslagen, of wanneer het behoorlyk exploict en publicatie van zoodanige kennisgeving als voormeld onder eede zal zyn bevestigd, dan, des noods, in het afwezen van zoodanigen dienstheer, moeten voortgaan om summierlyk te hooren wat zal worden bygebragt door den gez. specialen Vrederegter, en door den dienstheer of ander persoon makende eenige aanspraak op de diensten van zoodanigen geapprenticeerden arbeider, voorgesteld te worden ontslagen, en die ingevolge van zoodanige kennisgeving compareren; en in geval de gez. partyen of een derzelven zal weigeren zoodanig ontslag te verleenen voor den prys goedgekeurd door den gez. specialen Vrederegter, of ingeval het zal komen te blyken aan den gez. Hoofd-Justicier of eenig Regter van het Hooge Geregtshof, dat een vol en valide ontslag niet wettiglyk by eenig privaat kontrakt kan worden daargesteld, of dat de dienstheer van zoodanigen geapprenticeerden arbeider, of ander persoon hebbende een verband op of belang in de diensten van den geapprenticeerden arbeider, een minderjarige is, of eene getrouwde vrouw, of krankzinnige, of dat de dienstheer van den geapprenticeerden arbeider, of ander persoon, hebbende eenig verband op of belang in de diensten van zoodanigen geapprenticeerden arbeider, afwezig uit de gez. Kolonie, of onbekend is, of niet kan gevonden worden, of dat eene actie hangende is voor eenig der Geregtshoven van de gez. Kolonie, waarby het regt op de diensten van zoodanig geapprenticeerd arbeider in geschil is, dan en in ieder zoodanig geval zal de gez. Hoofd Justicier, of eenig Regter van het Hooge Geregtshof, den gez. specialen Vrederegter, en den dienstheer van zoodanigen geapprenticeerden arbeider, comparerende ingevolge van zoodanige kennisgeving, gelasten ieder eenen taxateur van de waarde van zyne of hare diensten, gedurende het overige van zoodanig apprenticeschap, te benoemen, en de gez. Regter zal zelf een superarbiter tusschen zoodanige taxateurs benoemen. Maar indien zoodanig dienstheer, naar behooren gedagvaard zynde, niet zal compareren, of comparerende, zal weigeren of verzuimen eenen taxateur te benoemen, dan zal de gez. Regter niet alleen zoodanigen superarbiter benoemen, maar mede eenen taxateur, ten behoeve van zoodanigen dienstheer.

7. De taxateurs dus benoemd als voormeld, zullen behoorlyk moeten worden beëedigd door en voor den gez. Hoofd-Justicier, of eenig Regter van het Hooge Geregtshof, om eene billyke en onpartydige taxatie te maken van de waarde van de diensten van den geapprenticeerden arbeider, wiens ontslag dus wordt voorgesteld; en binnen zeven dagen na hunne benoeming, zullen zoodanige taxateurs eene gezamenlyke taxatie van de gez. diensten moeten maken, en zoodanige hunne taxatie aan den gez. Hoofd-Justicier, of Regter van het Hooge Geregtshof, onder hunne hand en zegel moeten certificeren, en ingevalle zoodanig gezamenlyk certifikaat, niet op zoodanige wyze zal worden gemaakt en afgeleverd aan den gez. Regter binnen den gez. tyd van zeven dagen, dan zal de gez. superarbiter, na behoorlyk beëedigd te zyn als boven gezegd, binnen de eerstvolgende zeven dagen zyne taxatie aan den gez. Regter moeten certificeren; en de valuatie gemaakt in maniere dus omschreven, hetzy door de gezegde gezamenlyke taxateurs, of by default van hen, door den gez. superarbiter, verbindend en beslissend zyn, en worden geënrolleerd in de minuten van het Hooge Geregtshof van Civile Justitie in en voor de gez. Kolonie.

8. Met dien verstande niettemin, dat wanneer aan den gez. Regter zal blyken, binnen eene maand nadat zoodanige valuatie geschied is, dat de gezegde taxateurs of superarbiter, of iemand hunner, frauduleus of onregtvaardiglyk hebben of heeft gehandeld, of onder den invloed van eenige ongepaste beweegreden, of onder misgissing ten aanzien van den aard hunner of zyner pligt, of onder valsche voorstelling van eenige materieele daadzaak, dan, maar niet anders, zal het den gem. Regter vrystaan de gem. valuatie ter zyde te stellen en dezelve van geene waarde te verklaren, en te gelasten dat eene andere valuatie zal worden gemaakt, in maniere boven omschreven, tot welk einde nieuwe taxateurs en eenen nieuwen superarbiter in maniere bovengem. zullen worden benoemd en beëedigd, en zullen voortgaan tot het maken van eene tweede valuatie, welke gecertificeerd zynde aan den Regter in maniere voorm. tot alle einden verbindend en beslissend zal zyn. Wel verstaan, dat zoodanige tweede valuatie of eenige volgende valuatie, op gelyke wyze zal kunnen worden ter zyde gesteld door eenigen zoodanigen Regter, op de gronden voormeld, tot eene valuatie zal zyn bekomen welke niet onderhevig is aan zoodanige objectien.

9. En zy het mede wel verstaan, dat wanneer het bedragen van eenige zoodanige valuatie niet zal worden betaald in maniere hieronder omschreven, binnen drie maanden volgende op het enrollement daarvan, zoodanig enrollement zal worden vernietigd.

10. Op of binnen drie kalender maanden volgende op het enrollement in het Hooge Geregtshof van de gem. Kolonie van eenige zoodanige valuatie als voormeld, zal het iederen specialen Vrederegter als voormeld voor de gem. Kolonie vrystaan, uit de gelden hem tot dat einde verstrekt door den geapprenticeerden arbeider die zal worden ontslagen, aan den Thesaurier van de gem. Kolonie te betalen, de getaxeerde waarde van de diensten van zoodanigen geapprenticeerden arbeider, nemende een recu in geschrifte van gez. Thesaurier, voor iedere zoodanige betaling; en de Hoofd-Justicier, of eenig Regter van het Hooge Geregtshof der gem. Kolonie, zal, op aanzoek by hem tot dat einde gedaan door den gem. specialen Vrederegter, eene order uitmaken voor het enrollement in het gezegde Hooge Geregtshof van zoodanig reçu, en de gem. Hoofd Justicier, of eenig Regter van het Hooge Geregtshof, zal by zoodanige order verder voortgaan te verklaren en toetewyzen, dat de geapprenticeerde arbeider, door of ten wiens behoeve zoodanig geld betaald is, is ontslagen, en zoodanig geapprenticeerd arbeider zal daarop zyn, en geoordeeld worden te zyn, en aangezien als geheellyk ontslagen uit zoodanig apprenticeschap.

11. De gelden voortspruitende uit het ontslag van eenigen geapprenticeerden arbeider, uit kracht van de handelingen hierboven vermeld, zullen moeten verblyven in handen van den publieken Thesaurier van de gem. Kolonie, en zullen intrest doen tegen vyf ten honderd in het jaar, en Zyner Majesteits inkomsten in de gem. Kolonie zullen en worden by deze verklaard te zyn verbonden en verantwoordelyk voor de behoorlyke betaling van zoodanig kapitaal en interest; of zullen ter discretie van zoodanigen Thesaurier worden belegd in den aankoop, op zynen naam, van publieke fondsen of securiteiten van Groot-Brittannie en Ierland; en de Hoofdjusticier, of eenigen Regter van het Hooge Geregtshof van de gem. Kolonie, zal, en wordt by deze geautoriseerd, op aanzoek by hem tot dat einde gedaan, te gelasten dat het geld in de handen van den gem. Thesaurier, en de intrest verschuldigd op zoodanig geld of publieke fondsen van Groot-Brittannie en Ierland, dus gekocht als voorm. en de uitdeelingen daarop betaalbaar, zullen zyn het eigendom van den persoon of de personen die was of waren geregtigd tot de diensten van de ontslagene geapprenticeerde arbeiders, en zal onderworpen zyn aan alle zoodanige en dezelfde gebruiken, verbindtenissen, beperkingen, conditien, verbanden, eischen en vorderingen, van welken aard ook, als zoodanige diensten aan onderworpen waren tydens het ontslag van zoodanigen geapprenticeerden arbeider. En de gezegde Thesaurier zal het gezegde geld houden en de intrest daarop verschenen, of de gez. publieke fondsen en de uitdeelingen daarop, onderworpen aan zoodanige order als de Hoofd-Justicier van de gem. Kolonie, op summier aanzoek van eenig persoon daarby belang hebbende, en op kennisgeving aan alle andere personen daarby belang hebbende of hunne agenten, zal goedvinden te maken, en zoodanig kapitaal en interest zal door zoodanigen Thesaurier moeten worden betaald en over beschikt volgens en overeenkomstig met zoodanige order.

12. Het zal den Hoofd Justicier, of eenig Regter van het Hooge Geregtshof van de gezegde Kolonie, vrystaan, om van tyd tot tyd, naar de gelegenheid zulks zal vereischen, alle zoodanige orders en reglementen te maken en voor te schryven, en van tyd tot tyd te herroepen en te veranderen, als noodig zullen zyn voor de geregelde en behoorlyke uit-

PEREMPTORY SALE,

Of very valuable LANDED PROPERTY, situate in the Gardens; superior modern London-made Household Furniture, Horses, Carriages, and other Effects.

On MONDAY, the 29th DECEMBER, 1834,
AND THE FOLLOWING DAYS,
At half-past NINE o'Clock precisely,
(On account of the number of Lots,)
WILL BE SOLD BY AUCTION,
PEREMPTORILY TO THE HIGHEST BIDDER,
By Order of the Supreme Court,
IN THIRTY-FOUR LOTS,

ALL that valuable and most desirable Property called *Welgedaan*, situate in the Gardens, and extending each way to the Residences of Sir JOHN WYLDE and Colonel BELL, enclosed in substantial Walls; with a large portion of contiguous Land most eligibly situated for Building, containing in the whole between 3 and 4 morgen.

Welgedaan comprises a very spacious and elegant Dwelling House, calculated for the Residence of a large Family of the first distinction, containing on the ground floor two very handsome Drawing Rooms, 24 by 18; a noble Saloon, 37 by 18; a Dining Room, 24 feet in length, and a Sitting Room, 16 by 15. These Rooms are all floored and ceiled in a very superior manner, and fitted up throughout at great expense, in the very best style of modern English taste.

The upper part of the House contains five spacious airy Sleeping Rooms, commanding a very delightful prospect of the Valley and of Table Bay.

The Offices are numerous and convenient, consisting of a Kitchen, Store Rooms, four Servants' Apartments, Coach House and Stabling, with very spacious double and single Wine and Grain Stores, which may be let at profitable Rents, if not required by the Proprietor.

The Grounds are extensive, and are well fenced and shaded with Oaks.

The Land is exceedingly productive, and is in the highest state of cultivation.

The Buildings are in substantial repair; the Roofs have been newly constructed within the last few years, and are planked throughout with Teak.

A perpetual stream of Water runs along the upper side of the Property without the Walls, to the use of which it is intitled, under regulations which will be made known at the time of Sale.

This Property will first be sold in separate Lots, then particular Lots will be put up together, in order to enable the Purchasers to obtain larger allotments, if they desire it; and, finally, the whole Property will be put up together in one Lot in the usual manner,—*vide* the Conditions of Sale.

Lot 1, comprises the HOUSE, Office, a large Yard, and a portion of the Ground, measuring 1 morgen, 623 square roods, and 63 feet.

Lot 2, consists of a very excellent Store, 91 by 22, with a Teak Roof, an adjoining Store, 40 by 18, which may be easily converted into a Dwelling House at a small expense, and a Yard.

The remaining Lots vary in their dimensions, but have been laid out in conformity with a design which has been framed for the appropriation of this part of the Property to the erection of second and third-rate Houses,—a class of Buildings which is very much wanted for the occupation of respectable Tenants of limited income. The purity of the atmosphere at this elevation of the Valley, the contiguity of this Property to the Town and the Government Gardens, and the number of good Roads and respectable Residences with which it is surrounded, renders it, *perhaps*, without a single exception, the most eligible spot in Table Valley for such a mode of appropriation.

Conditions of Sale, and engraved Plans of the Property, may be had by the end of November, at the Master's Office, at the Commercial Room, at Mr. JONES', the Auctioneer, on the Parade, and at the Offices of the Trustees.

On TUESDAY, the 30th DECEMBER, 1834,
WILL BE SOLD BY AUCTION,
PEREMPTORILY TO THE HIGHEST BIDDER,

The whole of the Household Furniture and other Effects in the Estate, consisting of very superior London-made Mahogany Chairs and Couches, dining, sofa, card and work Tables, Side Boards, Book Cases, Wardrobes,

Five useful Carriage Horses, a covered Carriage and Wagon, Drays, a Market Cart, a set of double Harness, and a set of Harness for eight Horses; Saddles, Bridles, Fustage, Wine Store Implements, Garden Tools, &c.

The principal part of the Furniture was manufactured in London, under the direction of HENRY MURPHY, Esq. whose taste and judgment in these matters are well known to the Public.

Van zeer kostbare VASTE GOEDEREN, gelegen in de Tuinen; beste moderne in London gemaakte Huismeubelen; Paarden, Rytuigen, en andere Goederen.

OP MAANDAG den 29 Dec. 1834 en volgende dagen, des morgens precies ten half 10 ure, (wegens het aantal Percelen,) zal op last van het Hooge Geregtshof, volstrekt aan den meestbiedenden worden verkocht,

In vier en dertig Percelen:

Het kostbare en zeer verkieslyke Eigendom genaamd *Welgedaan*, gelegen in de Tuinen, strekkende zich aan beide kanten uit naar de Residentien van Sir JOHN WYLDE en Kolonel BELL, omringd met sterke Muren; benevens een groot gedeelte aangrenzend Land, zeer verkieslyk gelegen om op te bouwen, behelzende in het geheel tusschen 3 en 4 morgen.

Welgedaan bevat een zeer ruim en fraai Woonhuis, geschikt voor eene groote Familie van het eerste aanzien, hebbende onder twee mooye Visitekamers, 24 by 18; eene prachtige Zaal, 37 by 18; een Eetkamer, 24 voet lang, en een Zitkamer, 16 by 15. Deze Kamers zyn allen netjes gevloerd en geblafonneerd, en met groote kosten ingerigt naar den besten styl en den nieuwsten Engelschen smaak.

Het bovenste gedeelte van het Huis bevat vyf ruime luchtige Slaapkamers, hebbende een zeer aangenaam uitzigt over de Vallei en de Tafelbaai.

De Buitengebouwen zyn zeer talryk en geryfelyk, bestaande in een Keuken, Provisiekamers, vier Knechtsvertrekken, Koetshuis en Stal, met zeer ruime dubbele en enkele Wyn- en Graanpakhuizen, welke tegen voordeelige huur kunnen verhuurd worden, indien niet benoodigd door den Eigenaar.

De Grond is zeer uitgebreid, en is wel omringd en belommerd met Eikenboomen.

Het Land is buitengemeen vruchtbaar en in den besten staat van cultivatie.

De Gebouwen zyn in substantieele reparatie, zynde de Platten nieuw gelegd binnen de laatste jaren, en doorgaans met kajatehouten Planken. Een gestadige stroom water loopt langs de bovenzyde van het Eigendom buiten de Muren, tot welkers gebruik het geregtigd is, onder bepalingen welke ten tyde der Verkooping zullen worden bekend gesteld.

Dit Eigendom zal eerst in separate percelen worden verkocht, daarna zullen byzondere deelen gezamenlyk worden opgeveild, om de Koopers in staat te stellen grootere stukken te bekomen, indien zy zulks verkiezen; en eindelyk zal het geheele Eigendom in eens gezamenlyk worden opgeveild, op de gewone wyze—zie de Veilkonditien.

Perceel 1, bevat het Huis, Buitengebouw, een groote Achterplaats en een gedeelte van den Grond, groot 1 morgen, 623 kwadraat roeden en 63 voeten.

Perceel 2, bestaat uit een zeer goed Pakhuis, 91 by 22, met een kajatehouten Plat, een annex Pakhuis, 40 by 18, dat met geringe kosten gemakkelyk kan worden veranderd in een Woonhuis, en een Achterplaats.

De overige Percelen verschillen in derzelver grootte, doch zyn verdeeld overeenkomstig een plan dat geformeerd is om dit gedeelte van het eigendom te gebruiken tot het bouwen van Huizen van de tweede en derde soort,—eene klasse huizen welke zeer gewild is tot het bewonen van respectabele huurders die een bepaald inkomen hebben. De zuiverheid der lucht op deze hoogte der Vallei, de nabyheid van dit eigendom aan de Stad en 's Gouvernements Tuin, en de menigte goede wegen en fatsoenlyke woningen waarmede het omringd is, maakt het misschien, zonder eene enkele uitzondering, de verkieslykste plek in de Tafelvallei om tot dat einde te gebruiken.

De Koopkonditien en gegraveerde Plannen van het Eigendom zyn te bekomen, tegen het einde van November, op het Meesters Bureau; aan de Beurs; by den Hr. JONES, Vendu-Afslager, op de Parade, en ten Kantore van de Curatoren.

Op DINGSDAG den 30 *DECEMBER,* 1834,

Publieke Verkooping van het Huis en Erf, No. 5, *Kerkstraat, behoorende aan den Boedel van wylen* MARY ANN MITCHELL, *op Donderdag den* 15 *January* 1835.
